HARDING ADDRESSES ROCKDALE CITIZENS

WAR VETERANS ARE CELEBRATING TODAY

Celebration of Armistice day began at 10:30 o'clock this morning.

Large crowd witnessed the morning program on the court house lawn with its solemn patriotic features. The crowds cheered when Little Miss Ruth Kemp raised the flag.

There was a minute of solemn prayer for "our country" following the invocation by Rev. Ira F. Key and the singing of "America" by the school children.

The service men went to the park at 11 o'clock with the crash of bands and the old time march. Lunch was served at noon.

Cameron welcomes the ex-service men of Milam county today in their celebration of the signing of the Armistice November 11, 1918.

Soldiers of the world war, Confederate veterans and other war veterans began arriving in the city this morning to spend the day under the auspices of the city's hospitality and to receive tribute from the citizens in commemoration of their splendid service in the late war.

It is a day of fraternal feeling and fraternal greeting between those who few months ago were comrades in battle writing a glorious page in the history of the military forces of America. A patriotic program is being carried out and a big picnic spread in the park will top the activity for the men.

Dr. James Watson, supervising chairman of the committees from the Commercial Club, in association with others has arranged a good program for the ex-service men. Speeches will be delivered and a music program by the Cameron band will be rendered. Chief among the pleasures of the day will be the association of the men who fought for world freedom in Europe. They will recall the dark days of pain and sacrifice and will renew acquaintances and form a better relationship for the future.

Preparations for the celebration were begun two weeks ago with the appointment of committees from the commercial club. Cameron will make the celebration today an annual affair and will invite the ex-soldiers here to spend a day of pleasant association.

Lieut. Jim Baskin has been active in assisting Dr. Watson to arrange the program and has invited every ex-service man in the county. He has personally superintended the mailing out of the invitations and the distribution of advertising matter.

Early Wednesday steps were taken to have the entire business district closed in honor of the service men who are celebrating. As near as was practical the entire town will be closed today all day to honor the men.

BOHEMIANS HOLD MEETING IN WACO

F. S. LESOVSKY AMONG PROMINENT MEN OF STATE TO GO OVER NEW PROGRAM.

Representative Bohemian citizens of Texas met in Waco this week in conference to work out plans for beneficial work through the Bohemian Lodge in Texas.

F. S. Lesovsky of Cameron was among the prominent Bohemian citizens to attend this meeting. A banquet was held at the Raleigh Hotel in Waco at which time important matters were discussed. Thomas Blanka of Buckholts accompanied Mr. Lesovsky to Waco.

The executive committee of the Bohemian Lodge took under advisement plans to erect an orphanage in Texas. Mr. Lesovsky took part in the conference of the committee when the matter was under discussion. He reports a royal good time and much enthusiasm among the Bohemian citizens for the work now under plan.

FIRE BURNS BARN AND FEED VALUED \$3750 THURSDAY

C. J. McLERRAN FARM NEAR JONES PRAIRIE SCENE OF DISASTROUS BLAZE.

Fire of an unknown origin early last Thursday morning completely destroyed the barn and all feed stuff belonging to C. J. McLerran at Jones Prairie.

The flame was discovered at 5:30 and Mr. McLerran with others made a heroic effort to save the big barn. The damage is estimated at \$3750. There were approximately seven hundred bushels of corn and five hundred bales of hay in the barn at the time of the fire. The loss is total, as no insurance was carried on the barn.

M. McLerran thought at once to call out the Cameron fire department but immediately was enveloped in an effort to save the barn and was unable to summon assistance, only those about the place and farm hands assisted in fighting the blaze.

This is the first disastrous barn fire to occur in recent weeks in the county.

ed today all day to honor the men. Robert McLane in association with others petitioned the business men to close in observance of the holiday added to the calendar in 1918 when American arms achieved victory on foreign fields.

It will be a glorious day for the men who came back and after victory are now in civil pursuits.

Memories of the clash of swords and the roar of guns; memories of the trenches, with their nights of horror and their days of waiting; memories of creeping through no man's land with its ghastly, silent dead, its dank and nauseous stench, and the clammy touch of your hands upon the upturned faces of comrades who had gone west; memories of voyages through death strewn seas; memories of the overpowering clouds of deadly gases, of the whirring of planes through the chilling hours of night; of the shriek of dying men and the cheers of others as they pressed on through the ranks of dead and dying to the bright and glorious hour of that November day in 1918 when the enemy, crushed and battered by the onslaught of America's bravest and best, bowed in defeat and the flag of autocracy was furled and the Stars and Stripes floated in triumph above the ramparts of the kaiser;—memories such as these, and countless scores of others, some gay, some sad and others thrilling, will be recalled.

The committees in charge of the celebration are:

The committees are: Dr. James Watson, chairman; Jim Baskin, T. S. Henderson, Jr., B. P. Atkinson, Dr. Tom Denson, W. G. Gillis, W. F. Sharpe, Oxsheer Smith, J. C. Tucker, E. A. Wallace; Womens Committee selected by Mrs. Sue Baskin; Mrs. Roy Jeter, Mrs. Pearl Clement, Mrs. T. S. Henderson, Sr., Mrs. Lula Gillis, Mrs. W. O. Triggs, Mrs. Robert McLane, Mrs. Lena Baskin, Mrs. U. S. Hearrell, Mrs. Sue Baskin, Miss Winnie Henderson, Miss Aetna Smith. CAMERON TO GET BERTH IN CLASS D BALL LEAGUE

CENTRAL TEXAS ORGANIZATION BEINGS PONSORED—A. L. POPE TO WACO CONFERENCE.

The Waco Times-Herald of Tuesday and the Associated Press on Wednesday morning carried a story of the proposed formation of a Class D league to be called "Central Texas League," to include the following named cities and towns: Cameron, Waco, Temple, Austin, Brenham, Navasota and Marlin.

On Tuesday A. L. Pope of this city went to Waco to confer with Ben Shelton of that city relative to the proposed league, and to see others interested in the proposition. Mr. Shelton was formerly owner of the Waco franchise and manager of that team, and has been intimately interested in baseball for many years. The proposed league met with every encouragement in Waco and both the papers carried stories as also did the Associated Press on Wednesday morning.

While Mr. Shelton can not be induced to take the league in hand, he said he would do everything possible to put the league on its feet and proposed Doak Roberts, president of the Texas league, could also be induced to accept the presidency of the proposed league, thus placing the destinies of the new league in well experienced hands. It is expected that Mr. Pope will see Mr. Roberts in the near future and talk this and other matters over. In the meantime the other towns who are to be incorporated in the league will be lined up and a meeting of the league will probably be called at Cameron and have Mr. Roberts with the others formulate plans for its formation.

Further details will be available next week and other towns will have been heard from thus enabling us to give more definite news. All the local fans are very enthusiastic over the prospects and it seems an absolute certainty that we will have this for a form of amusement and an advertisement for our town in 1921.

RALLY DAY SUNDAY METHODIST CHURCH IS BIG SUCCESS

LAST SERVICE HELD IN OLD CHURCH. SERVICES SUNDAY. AMERICAN LEGION HALL.

The Rally Day program at the Methodist church last Sunday was a grand success according to those who were in attendance. A friendly contest between the men and boys on one side and the women and girls on the other had been instituted for attendance and resulted in a victory for the women as follows: 147 women and 125 men. After the regular Sunday school was over a program was rendered which lasted through the regular preaching hour. The men, as a result of their loss will entertain the women on next Friday night at 7:30 at the Methodist Hall just over the Buick service station. The men are to furnish all the program and the refreshments and serve them. Some of the numbers on the program are:

Recitation, Mary Had a Little Lamb, Jeff Kemp.

Declaration, Success, W. H. Triggs. The Original Tongue, one of the boys.

Speech, Why Women Are Not as Smart as Men (?), Roy Baskin.

Solo, There's a Hole in the Bottom of the Sea, P. O. Adams.

Then there will be a number of selections of a more serious nature as follows:

Solo, "Mother Machree," Mr. Mac Harvey.

Violin Solo, Mr. Medsker.

Piano Solo, Mr. Robert Smith.

Selections, Orchestra.

The refreshments for this occasion will not be announced until the time comes as it is desired that this will be a profound secret.

Services Sunday and Sunday night will be held at the usual hour. Sunday school at 9:30. All services will be at American Legion Hall.

Mr. and Mrs. Frank Reichert of Sharp were in Cameron on Tuesday, en route to Waco to the Cotton Palace.

Mr. and Mrs. Walter Stitt, of Taylor, spent Sunday in Cameron with Mrs. Stitt's parents, Mr. and Mrs. T. N. Lindsay.

President Elect and Party Pass Through Milam County on Way to Coast---Party Lines Vanish With New Administration Says President.

(By John E. Cook)
Rockdale was honored Sunday evening by a short speech and words of greeting and appreciation from Senator Warren G. Harding, of Ohio, President-Elect of the United States.

President-Elect Harding's special train, passing through on the I. & G.N. at 6:20 p.m., stopped long enough for the distinguished visitor to appear on the rear platform and make a three-minute speech to the assembled crowd.

Mrs. Harding, the Nation's coming "first lady" also appeared on the platform with her husband and graciously greeted the people. She seemed particularly pleased with the college yells given for her husband by the Rockdale High School boys present, and when she thanked them for their courtesy they responded with another battery of "rahs" for Mrs. Harding herself, this drawing forth from her the remark, "Boys, that's mighty sweet of you."

There were perhaps more than a thousand people at the depot to greet the honored guests, and immediately the train had stopped Senator Harding appeared on the rear platform; but quick as he was his wife was ahead of him and was first introduced to the throng who responded with a cheer. Then the President-Elect himself appeared and as soon as he was recognized the cheer broke into a regular Texas yell.

Mr. Harding thanked the crowd for their presence and the honor they were paying him, and stated that it was an inspiration to come to so glorious a state and receive so glorious a welcome as had been given him all along the route. "The election is over," he said, "and now we are forgetful of party lines; we have won our fight for party policies and candidates, but henceforth we are all Americans first and it will be a fight for American policies and a victory for American policies and American people. We are all citizens of the same republic, in-

terested alike in the common welfare of the American people and it will be my aim to always strive to further the interests of the American people as a whole." The President-Elect spoke along this line of thought for perhaps three minutes, and then at a nod of his head an attendant pulled the air signal and the train moved on. This latter incident showed conclusively that the stops of the train were honorary on his part, and that he was showing his appreciation of the welcome given him by Texas people by disregarding his first intention of making no speeches and seeing no delegations while en route.

Just as the train started up the President-Elect was presented with a huge bouquet of flowers by Little Miss Carrie Loewenstein, who received in return cordial words of thanks, Senator Harding called out, as the train drew away, an invitation to one and all to "come and see me in Washington and I'll try to give you as good a welcome as you have given me."

The crowd greeting the honored guests was the largest ever assembled in Rockdale on such short notice. There were several hundred automobiles at the depot, and at least a thousand people. Knowing the time would be short the crowds forsook the cars and thronged the tracks and rightway surrounding the rear of the train. It was a larger crowd than assembled last year to greet and hear Vice President Marshall when he spoke here during the Liberty Bond campaign. And from all reports the same kind of crowds greeted the special train at all its stops from Texarkana to San Antonio. It was a genuine Texas welcome.

The party was en route to Point Isabel, in Cameron county, away down at the tip end of the state, where they will be guests of friends for a two-weeks' rest and recuperation from the recent arduous duties of the strenuous campaign.

BUILDING LOAN ASSOCIATION TO BE ORGANIZED

A building and loan association to relieve the housing need in Cameron is being sponsored by local progressive citizens.

T. S. Henderson, Jr., chairman of the special committee appointed by the Commercial Club to go into the matter of a building and loan association has written a report expressing the sentiment of the committee and has been retained by the Club as chairman of the committee to put the association into operation.

Mr. Henderson and his committee are now acting with the endorsement of the club will sponsor the association as an investment proposition for those who wish to enter it. With its organization the housing need in Cameron will be solved as a plan has been worked out to enable men of small financial means to build.

Mr. Henderson, discussing his report to the club has determined upon a plan to begin immediately to canvass for investors in the building and loan association. The proposition as Mr. Henderson presents it, is a first rate investment. His keen insight into business affairs fits him for the leader in this worthy and much needed movement.

The following is the full text of the report made by Mr. Henderson as chairman of the committee: "To The Directors of The Cameron Commercial Club:

"We, your committee on housing, make the following report:

"We recommend the formation of a Building and Loan Association for the purpose of financing the building of more homes in Cameron. In our judgment this association should have a capital stock of \$100,000 divided in

shares of \$100 each, and no member should be admitted for a subscription of less than ten shares. The monthly dues should be \$1.00 per share, payable in advance. If the directors deem it advisable, the stock should be divided into two series, one short time series, to be fully paid up within one year, in a sum not exceeding \$15,000; and one long time series, to be paid up in 100 monthly installments. This arrangement would insure the formation of a fund of from \$10,000 to \$25,000 within the next year for the immediate building of houses. Loans should be made for the full amount allowed by law, two-thirds of the appraised value of the security, plus 90 per cent of the withdrawal value of the borrower's shares in the association.

"It is our belief that arrangements can be made to have the daily balances of such an association draw a small rate of interest from one of the local banks, in view of the fact that there should be a standing balance of some five thousand dollars, and a monthly income of some \$1000.

"A meeting should be called and well advertised for an early date, to which all persons interested in the housing problem should be invited, particularly all persons who are now known to want houses, either to rent or to buy. At this meeting the proposition should be thoroughly explained, the association formed and subscriptions taken and officers elected. A set of committees should be then appointed to visit every person in Cameron seeking stock subscriptions. It is the belief that this association could be formed with its entire capital stock subscribed.

Respectfully submitted
T. S. Henderson, Jr. Chmn.

M. C. Jackson will preach at the Christian church Sunday and Sunday night. A hearty welcome is extended the public to be with us and the membership is expected to be present.

COX SAYS FLAG OF DEMOCRACY WILL NOT BE LOWERED

OHIO GOVERNOR AS PROUD AND DEFIANT NOW AS WHEN FIGHT STARTED.

Columbus, Ohio, Nov. 5.—Governor James M. Cox, democratic candidate for the presidency, in his first statement since the election, tonight said that in spirit he was "as proud as when the fight started," and that he "would not retrace a step nor yield a single jot in principle."

Governor Cox's statement follows: "For the first time in ten years the republican party is in complete control of the legislative and executive branches of the national government. Therefore, policy as to statute and administration is with it. Its task is no longer that of the critic but the constructor. It is my hope and firm

belief that the democracy of the nation will not attempt political sabotage. The country has seen enough of that.

"We are in the midst of an emergency and the nation's every resource should coordinate in behalf of the things that are helpful. So long as government exists, the principles of Thomas Jefferson will be the center about which human hopes will gather and talk of a new party is absurd. One might as well discuss the destruction of human emotions.

"As essential as it has been to the welfare of the country in the past the creed of democracy is more needed now than ever because recent happenings have made it distinctly the American party.

"In spirit I am as proud as when the fight started. I would not retrace a step nor yield a single jot in principle. It was my privilege to make a contest in the face of overwhelming odds. There is a distinct difference between defeat and surrender. The flag of democracy still flies as the symbol of things more enduring than the passions and resentment that come with the aftermath of war."

TEACHER KILLED IN AUTO ACCIDENT

MISS LILLY ROSE COUCH OF MINERAL WELLS VICTIM OF CRASH.

Mineral Wells, Texas, Nov. 5.—Miss Lilly Rose Couch, a teacher in the public schools of Mineral Wells was killed and Cleve Hansen was seriously injured in an automobile accident on the road from Weatherford to this city.

The accident is believed to have happened about 10 o'clock last night. The wrecked car, under which was the body of Miss Couch, was found at 6 o'clock this morning by autoists passing the scene. Mr. Hansen was pinned under the wreckage and evidence indicated he had been there for several hours. He was badly bruised about the body and also burned.

Miss Couch came here from Magnolia, Arkansas, to which place her body was sent this afternoon.

Weatherford, Texas, Nov. 5.—Last night at the City Hall the public schools of Weatherford gave a play for the benefit of the schools; Miss Rosa Couch, one of the teachers of the Mineral Wells High School, took part in this play. She and G. G. Hen-

son of Mineral Wells started home after the play in an automobile. When they had reached a short distance from Weatherford they ran off a culvert and the car turned over. Miss Couch was instantly killed and Mr. Henson pinned under the car, where he remained until about 5:30 a. m., when he was found and brought to Weatherford to the sanitarium. His wounds are not considered serious. Miss Couch's home is in Arkansas.

HARDINGS'S ONLY SPEECH IN TEXAS TO BE AT BROWNSVILLE

Brownsville, Texas, Nov. 5.—Senator Warren G. Harding, president-elect, probably will make but one address during his vacation in this section, it was announced today by R. B. Creager, who will be one of his hosts. The proposed address would be at an Armistice Day celebration here Nov. 11, Mr. Creager said.

Senator Harding and his party are expected to arrive here Monday noon by special train from San Antonio, which city he will leave Sunday night. Immediately on his arrival here automobiles will whisk him away to Point Isabel, where preparations for his visit are in full swing.

LIFT OFF CORNS!

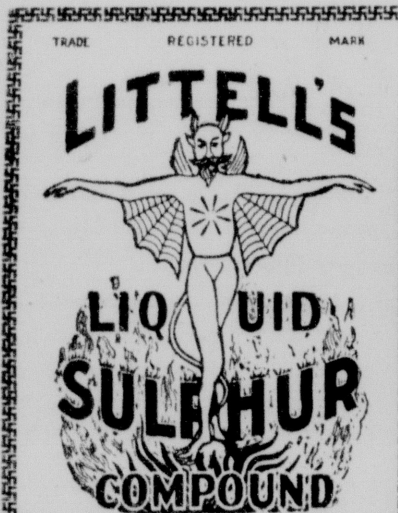

Apply few drops then lift sore, touchy corns off with fingers

Doesn't hurt a bit! Drop a little Freezone on an aching corn, instantly that corn stops hurting, then you lift it right out. Yes, magic!

A tiny bottle of Freezone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation.

Freezone is the sensational discovery of a Cincinnati genius. It is wonderful.

It is a powerful and scientific combination of sulphur and other healing agents for the relief and cure of diseases of the skin. It is especially effective in the ITCHING VARIETIES; giving instant relief from the itching and smarting sensations and by its germ-destroying properties it exterminates the microbe which is the cause of the eruption, thus curing the disease completely.

Littell's Liquid Sulphur Compound is used in all cases of Eczema, Tetter, Barber's Itch, Psoriasis, Herpes, Rash, Oak and Ivy Poisoning, also for relieving the annoyance caused by chiggers and mosquito bites.

In the treatment of ECZEMA—the most painful and obstinate of all skin diseases—it is one of the most successful remedies known.

HISTORY CLUB

Mrs. J. C. Tucker was hostess to this circle of ladies who meet from time to time to study ancient history.

The subject nearest to hand for the week was "The Election," and its results, etc. Under the efficient leadership of Miss Winnie Henderson, the following instructive program was enjoyed:

Opinion of Foreign Element on Our Election, Mrs. W. G. Gillis.

Solid South, Mrs. Lloyd Mitchell.

Middle West, Miss Winnie Henderson.

Electoral College, Mrs. W. C. Robinson.

Messrs W. O. Triggs and Ben Atkinson joined the ladies at this point for a discussion of Red Cross work. Altogether the afternoon was one of profit and great pleasure.

"600" PARTY.

Mrs. Charles Pollard entertained Tuesday of last week in honor of, and to welcome to Cameron one of her old school mates, Mrs. Joe Smith, who has just moved here, her husband being the agent at the Sap.

The home was beautifully decorated in yellow chrysanthemums and ferns.

Three tables were arranged for this new game, but all proved themselves quick to catch on and soon were having a merry time.

At the close Miss Clara Thomas was declared winner and was given a bouquet of yellow chrysanthemums and the honor guest was also given a like bouquet.

Mrs. John Camner assisted the hostess in serving a delicious two-course luncheon consisting of chicken salad, cheese balls, ripe olives, sandwiches, hot tea, and apricot ice and caramel cake. Those partaking of Mrs. Pollard's hospitality were, Messrs Joe Smith, Mac Harvey, Leo Wilkerson, John Cramer, S. A. Cottle, George Thomas, Walter Thomas, T. L. Henderson, Jr., Misses Winnie Henderson, Clara Thomas and Mary Lake Henderson.

WITH MRS. J. L. CLINTON.

On last Wednesday afternoon this home was a scene of beauty and fragrance; the parlor with a profusion of white and pink roses, tube-roses and white chrysanthemums, while the reception room held the main color scheme, yellow chrysanthemums and ferns.

The tally pads were covered with green ribbon, had green pencils and were marked in gold. Score cards were landscapes, bright in yellow and green. Mrs. Clinton was assisted in receiving and welcoming her guests by her mother, Mrs. Carothers, and little daughter, Mildred. "42" was the diversion of the afternoon and seven tables were soon busy with this popular Texas game. "84" favors were announced and Miss Beth Jeter was the fist to win, but Mrs. U. S. Hearrell was declared victor at the close. These favors were little green frogs, brown turtles, dressed up kewpies, and pop guns.

Mesdames Frank Lesovsky, Bill Alex Bonds, Alex Triggs and George Thomas tied for high score, and in the cut the bride drew high, and was given a set of dominoes. Assisted by Mesdames Carothers, S. A. Cottle, and Miss Jeff Lewis, Mrs. Clinton served a delicious salad and ice course consisting of tuna salad, peach salad, olives, sandwiches and pineapple pie.

"42" CLUB.

Mrs. J. C. Tucker was hostess to the "42" Club last Thursday afternoon.

The reception suite throughout was decorated with marigold and lovely ferns.

The members arrived a little early for a short business session, but soon the guests began to assemble and six tables were soon busily engaged. Score cards were darling little kewpies playing golf. "84" favors were beautifully dressed up kewpies and bisque dolls.

Mrs. Dan Tyson was bravest bidder and equally a cheerful loser, and was commended for her nerve. High

score was made by Mrs. Albert Triggs of the Club members, and was given a large dressed up kewpie in a stand.

Mesdames L. A. Cottle, Giles Avriett, and Walter Thomas cut for the guest prize, and it fell to the bride, Mrs. Walter Thomas. Mrs. Tucker was assisted throughout the afternoon by her aunt, Mrs. Mattie Batte, Alex Triggs, of Rosebud, and Miss Mary Lake Henderson.

A delicious salad course was served consisting of tuna salad, sandwiches, pickles and ice tea.

Guests other than Club members were Mesdames George and Walter Thomas, S. A. Cottle, J. L. Clinton, R. D. Brown, Giles Avriett, Dan Tyson, Roy Baskin, and Alex Triggs.

SYMPHONY CLUB.

At the school auditorium, on Saturday the 30th, this delightful music club met, with Miss Jewel Joslin as leader and the subject was "Indian Music."

The first number on the program was a talk on "The Beauties of Indian Music," by Miss Mary Lake Henderson, followed by the following musical numbers:

Indian Love Song, Mrs. Ira Key. Canoe Song, Mrs. J. L. Clinton. Indian Lament, Mr. Paul Medsker. "Far Off I Hear a Lover's Flute," Miss Clara Curtis.

Piano duet, Sioux Scalp Dance, Mrs. Roy Jeter and Mr. Robert Smith.

The next meeting will be the second Saturday of this month.

RALLY DAY EXERCISES

At the Methodist church last Sunday morning marked a day of triumph for members of that great body of workers. Two hundred and sixty-eight were present at Sunday school. After the lesson the primary department gave a short program, and Margaret Key gave a reading, Miss Louise Adams sang a beautiful solo, Mrs. R. H. Johnson, president of their large bible class read an excellent paper on why the ladies should attend Sunday school, and Mr. W. H. Triggs followed it with a talk on why it was generally necessary for the men to attend. Rev. Ira Key then presented a basket of beautiful roses to Mrs. R. H. Johnson, and made a feeling presentation speech for her faithful, efficient and encouraging

work for several years past.

Mrs. Johnson said if there had been enough to go around she would give a rose to each member of her class.

In the contest for members the ladies won. And then as it was the last worship to be held in the old church the holy communion was administered and it was with glad yet sad hearts that the service closed—glad because of the fine new edifice so soon to be erected, and sad to see the building where so many joys have been enacted, torn down.

BIRTHDAY PARTY

Little Miss Lerline Hubert was eleven years old last Friday and invited sixteen friends in to help her celebrate. The home was beautifully decorated with chrysanthemums and the dining table had as its centerpiece a large white birthday cake with eleven colored candles.

A number of games were played indoors and out; a spelling contest in which Hilda Burk was winner, and received a box of pop-corn. And then "the donkey" brayed and out came the children to pin his tail on. Eunice Tyson was most successful and was given a bottle of toilet water. Harriette Flynn won the booby prize, a stick of candy. Next Mrs. Hubert was assisted by Mrs. Frank Redfield in circling the children around the table, where they were served with banana cream and cake. Favors were little baskets of candy. In cutting the birthday cake the ring fell to Lucille Klawansky, nickle to Vance Collier, thimble to Gussie Hubert, button to Frank Hubert.

Lerline was the recipient of a number of presents, some of which were a old ring, handkerchiefs, stationery, etc.

Mr. and Mrs. John Charles, with their sons and Miss Emma Schultz attended church here Sunday from Tracy.

BAPTIST AUXILIARY

All these ladies meet the second Monday and study together a mission study course.

Circle No. 1 met with Mrs. Brewer with Mrs. F. J. Beckerman as leader, and a profitable lesson enjoyed. There were eight in attendance.

Circle No. 2 met with Mrs. E. Casey with Mrs. G. H. McGehee as leader, and there were eleven present.

Circle No. 4 met with Mrs. J. B. White with Mrs. White as leader. There were fourteen present and a pleasant and instructive lesson was conducted, after which a pleasant social hour was spent.

METHODIST MISSIONARY.

The ladies of the Methodist Missionary Society met with Mrs. B. J. Baskin last Monday afternoon. All present took part in a splendid missionary program under the leadership of Mrs. J. W. Sanders. After which a social hour was spent while cream and wafers were enjoyed.

PRESBYTERIAN AUXILIARY

It was Foreign Mission Day with the Presbyterian ladies and they met at the church with about fifteen in attendance. Mrs. Jim Watson held the devotional services. This was followed by a program on Brazil.

Mrs. W. G. Gillis was leader and splendid papers were read by Mesdames Robert McLane, E. N. Shaw and Dan Tyson.

Our NEW SHOW Opens

With the Greatest Shows on the Screen

MONDAY, NOVEMBER 15th WE OPEN THE CAMERON MOVIE PALACE. With the greatest thrilling story ever written, staged by America's Greatest Personalities, William Faversham in "The Man Who Lost Himself." It's a scream to see it.

WEDNESDAY AND THURSDAY, we have a film version of Alexandre Bisson's Famous Play. The leading character has one of the most emotional roles ever given to an actress. Full of emotion, excitement, all through the story.

FRIDAY AND SATURDAY Comes the Greatest Thrills of Life, an Allen Dwan production in "The Heart of a Fool." Full of red blood action.

These pictures are staged by our greatest movie actors. Every one is a thriller. These pictures will make you sit on the edge of your seat and bite your finger nails. See every one of them. There is no better pictures.

MONDAY AND TUESDAY Nov. 15 and 16
— William Faversham in —
"THE MAN WHO LOST HIMSELF"

America's reatest stage personality, in his first Super-Photoplay — A startling new story of two men who so closely resembled one another that the wife could not tell them apart.

A Tale of Tangled Identities

HOW WOULD YOU FEEL if you woke

up one morning to find that overnight you had become someone else? If you insisted you were yourself but couldn't get anyone to believe it? If you insisted so much that your brand new relatives concluded you "off" and had you placed in a sanitarium for the rest cure? This is but one of the many comedy situations in the new Selznick Picture, "The Man Who Lost Himself" It's a Great Picture, full of fun and drama — See it.

WEDNESDAY and THURSDAY, November 17 and 18

— Pauline Frederick in —
"MADAME X"

A film version of Alexandre Bisson's famous play, one of the most powerful pictures ever shown on the screen.

Pauline Frederick, Goldwyn star, as "Madame X" has one of the greatest emotional roles ever given to an actress. Miss Frederick is presenting a new and wonderful interpretation of this character around whose stormy and sad life the action of the play moves. She is supported by one of the strongest companies ever assigned to a motion picture production. Miss Frederick has the role of Jacqueline Floriot, who is tried for murder as "Madame X", under which name she is registered at the prison because she refused to reveal her identity. This is one you can't afford to miss. Be here without fail. The world's greatest picture.

FRIDAY and SATURDAY, Nov. 19 and 20
— An Allen Dwan Production —
"IN THE HEART OF A FOOL"

THE BIGGEST THRILL IN LIFE, Allen Dwan's newest production "In The Heart of a Fool" is a powerful epic of life. Its story by William White, the noted American novelist and political authority is brimful of red blood and action. It is a truthful chronicle of what might easily happen in any community—in your life or mine. Every city or neighborhood has its own Lorelei—as the one in this photoplay. Full of big scenes and realism. The mine explosion and invasion of the hired mob from the big city are genuine thrillers. Do not forget that there is plenty of big thrill stuff in it. There is a real burning mine. It makes you look for the fire escape and mob scene that puts you up on your toes. It is a mighty reflection in life's mirror, and they all want it.

SEE THIS PICTURE—Full of tragedies, but not a melodrama.

MUSKOGEE WOMAN GOES TO CONGRESS

SHE USED CLASSIFIED AD COLUMNS AS ONE WAY TO WIN VOTES.

Muskogee, Okla., Nov. 4.—After a campaign which she described as a series of social visits, Miss Alice Robertson, 65, former postmaster here, born in Indian Territory war worker, cafeteria proprietor, and friend to everyone, has been elected to Congress in a rock-ribbed Democratic district. Overcoming a normal Democratic margin of 5,000 she defeated Congressman Hastings by 275 in his fourth race. Ascribing her success to Democrats fully as much as to Republicans, she declared she will go to Washington to be 100 per cent American. Formerly an anti-suffragist, this woman is the second woman to become a congressman.

"America is not a hermit nation," she says. "We must enter the league of nations, but not Wilson's and I don't favor a league that includes nations whose people worship idols."

A man will probably go to Washington as her secretary. She has befriended hundreds of men as well as women. During the war she was head of the canteen service here and fed hundreds of khaki-clad men in uniform passing through to and from Texas. No man in uniform was allowed to pay for a meal in her cafeteria. She has proved her business ability as postmaster under Roosevelt, and as head of several Indian schools.

Her campaign consisted of personal reminiscences in the classified column of newspapers and a few visits among old Indians and pioneer friends over the district.

BRYAN SUGGESTS WILSON RESIGN OFFICE AT ONCE

Chicago, Nov. 4.—William Jennings Bryan in Chicago Thursday gave out a statement suggesting that "President Wilson should resign at once."

"Now that the American people have decisively declared against the league of nations as written by the president," said Mr. Bryan, "it would seem desirable to carry out the verdict immediately. This can be easily done."

"The president should resign at once and turn his office over to Mr. Marshall, on the condition that on the convening of congress in December, Mr. Marshall appoints Senator Harding secretary of state and himself resigns."

"The law then would make Mr. Harding president, and with the republican support in congress he could at once put into operation the plan for the United States to enter into an association of nations for peace."

"As world peace is a thing nearest the president's heart, he can hardly refuse to hasten the coming of peace by so small a sacrifice—if it could be called a sacrifice—to escape from a three-months combat with a hostile congress, supported as it is by the recent vote."

attorney and will be the first Republican to represent Texas in the National Congress since 1896. He comes of a pioneer family of the Southwest, his father having served in the Confederate Army in the Texas Belknap Rifles. During the recent campaign Judge Wurzbach refused to deal with negroes or members of the "black tan" Republican party in any manner. Late yesterday Congressman Bee conceded his defeat. Only eight of the forty-nine voting boxes in San Antonio are yet to be heard from.

Returns from the eleven counties in this district last night indicated that Wurzbach's majority over Bee will be nearly 4,000. The majority last night, with a few scattering boxes to be heard from, give the Republican candidate a majority of 3,758 votes with ten boxes in Bexar county yet to be heard from and an equal number in Gaudalupe county, home of Wurzbach.

SAGE TEA KEEPS YOUR HAIR DARK.

When Mixed With Sulphur It Brings Back Its Beautiful Lustre at Once.

Gray hair, however handsome denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides, no one can possibly tell, as it darkens so naturally

and evenly. You moisten a sponge or soft brush with it, drawing it thru the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger. Tractor dealers in Cameron point out the need for placing motor equipment on the farm as far as practicable in order to save enormous volumes of grain necessary for feed for stock which can go on the market as a cash crop to the farmer and at the same time reduce the shortage and advanced prices for food products made from grains.

No Worms in a Healthy Child

All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 60c per bottle.

RATING PROFIT HIGHER THAN HUMAN LIFE

If a substitute is offered you for an advertised medicine, you can bank on it that the vendor is doing it for a bigger profit and rates profit higher than human life. One bottle of Mendenhall's Number 40 For The Blood will go as far as six bottles of the ordinary blood medicine sold in drug stores. It is put up by J. C. Mendenhall, a druggist of Evansville, Ind., since 1873. The ingredients entering into Number 40 are set down in the U. S. Dispensatory and other authoritative books on medicine as follows: "In the treatment of diseases of the blood, an acknowledged remedy among all schools of physicians. Removes the cause of disease by stimulating the removal of waste products in the system, thus encouraging nutrition. Disorders of the nervous system demand this treatment, such as neuralgias, headaches, constipation, chronic rheumatism, and catarrh. Used with phenomenal success in eczema, sores, ulcers, boils and glandular swellings." Mrs. Fannie Thurman, 106 W. Ash St., Columbia, Mo., writes as follows: "I was run down with rheumatism, had nervous breakdown with stiffness and swelling of the joints so I could not move without great pain. I read an ad. for Number 40 and decided to try it. I was relieved with the first bottle and since taking the second the stiffness and pains have left me and I feel as supple as a child. I am sending you this letter as I think every sufferer should hear of the wonderful merits of Number 40."

E. A. FLINN AMONG COTTON GROWERS TO CONFER IN WACO

PLAN TO POOL LOW GRADE
COTTON FOR EXPORT TO EU-
ROPE WILL BE TALKED
AT MEET NOV. 16.

Corpus Christi, Texas, Nov. 10.—More than thirty signatures are attached to a call issued to the farmers of Texas to meet in Waco, November 16th, for the purpose of considering a state-wide pool of low grade cotton, to be shipped and sold to Europe.

Following is the call:
"To Cotton Growers And All Others
Holding Low Grade Cotton.

"We, the undersigned cotton growers of Texas, hereby call a mass meeting of all citizens of this state who are now holding low grade cotton, to meet in Waco, Texas, on Tuesday, November 16th, at 10 a. m., at the offices of the Chamber of Commerce for the purpose of considering the advisability and practicability of pooling all low grade cotton in this state for shipment and sale to European countries.

"In view of the fact that low grade cotton has been accumulating during and since the great war, it is absolutely necessary that some effective measures be adopted at once to dispose of this low grade cotton before next year's crop is put on the market. After a careful investigation and conferences with leading farmers and cotton growers of this state, it is deemed wise and proper that the best course is the one outlined above.

"An investigation shows that Germany alone today needs two million bales of cotton; Bohemia needs half a million bales, and other European countries need at least a million or more bales. These countries are idle today for lack of cotton.

"The time is too short to rely upon any export corporation yet to be organized to handle the enormous quantity of low grade cotton now on hand in this country.

"We urge the citizens of every county and community who are holding low grade cotton to attend this meeting or send representatives.

"If we can succeed in disposing of

this low grade cotton through a pooling system, next year's crop will bring cost of production plus a profit. But should we fail to accomplish this purpose, every bale carried over will be a liability against the next year's crop to hammer down the price.

This is your business and needs your attention now. We are counting on you to be present at this meeting and to do your part.

WILL TRY TO ORGANIZE A LOCAL UNIT AT HANOVER

Mr. D. C. Dove and Mr. W. R. Sneed went over to Hanover last Friday to organize a local of the United Cotton Growers of America, but these seemed to be such a few who had heard about it that the matter was deferred until Friday night of this week November 5th, at which time Mr. Dove will again be there for the purpose of organizing. A dispatch from headquarters of the Association gives out the information that Commissioner of Agriculture Fred W. Davis has accepted a place as a member of the board of governors of the Association, which fact, Mr. Dove says, shows what our State Commissioner thinks about the Association. W. B. Yearly, cotton market specialist of the state department of agriculture, is another well known man who has recently accepted a place on this board of the Association. Fifty counties are now organized in Texas and hundreds of farmers are joining the Association every week. All \$10 fees that have been paid into the Association during the year will be extended over to cover the dues through all of next year, or until December 1st, 1921. Thus all members are paid a year ahead next December.

The next meeting of the Milano local of the United Cotton Growers Association will be held next Tuesday night, November 9th, at the W. O. W. hall. All members and interested people are invited to come out and attend

the meeting. All cotton growers will hear must that is to their interest and success.—Milano Gazette.

Senator Harding's train is schedul-
ed to go through Milanon this after-
noon, but at this hour, 2:30, has not
passed.

Mrs. Russell is better, but Mr. Wal-
lace Reese is still in critical condi-
tion.

Miss Maude Hooker will open her
school at Sandy Creek tomorrow.

We have had a sweet potato buyer
in Milano this week. He pays \$1 a
bushel at the car.

Rev. R. O. Weir preaches his fare-
well sermon at the Methodist church

tonight.
Cecil McGregor, railroad clerk at
Valley Mills is spending the week end
at his old home.

Uyless Ashley, who expects to
make a \$1000 picking cotton at Rog-
ers, was home for a day or two. He
picks 400 to 500 a day at \$2 per hun-
dred.

Clyde Hensley on Route One has
made more corn than he has crib
room for.

The Cemetery ladies gave a dinner
on election day that netted the Ceme-
tery Association between \$40 and \$50.

WOMAN SHERIFF-ELECT OUTLINES HER PLATFORM

Roscommon Mich., Nov. 5.—Mrs.

Jane Johnson, 65 years old, mother

of three children, Sheriff-elect of

Roscommon county, today outlined

the platform on which she will go into

office next January.

"I can land a bad man, or a bad

woman myself, if necessary," she

said, "but as a matter of precaution

I will appoint my husband deputy. In

the intervals between searching for

prisoners, I will look after my chil-

dren—two girls and a boy—and the

domestic duties in the county jail."

Mrs. Johnson added that in case

it should become necessary for her

"to arrest a bad man he will know

someone has been after him."

The sheriff-elect gained her ex-

perience from her husband, who has

been sheriff for the last six years,

and whom she married forty years

ago.

GAUSE REMAINS IN THE DEMOCRATIC COLUMN

A telephone report from the Gause voting box Thursday stated that Gause went Democratic 10 to 1 against the American party ticket. W. E. Peel for Justice and Fount White for Constable each received 150 votes as against 15 for J. W. Hairston and A. J. Gunnels, opponents. For Governor Pat Neff received 135 votes, McGregor 9, with a number cast for the other party candidates.—Milano Gazette.

Still the GREATEST MOTHER in the World

You know what the Red Cross did in war time because you were the Red Cross; you gave of your time and your money.

But what of your Red Cross in Peace Time?

Did you know that—

Health and Nursing

Instruction Service

Disaster Relief

Military Relief

—ever since demobilization your Red Cross has kept in constant touch with the families of 800,000 soldiers and sailors and marines. This service has embraced almost everything from supplying first aid to seeing a man through to a better job than he ever had before.

—in an average month this year, your Red Cross aided 423,888 adults and 101,755 children in Europe people who otherwise would be without even the simple necessities of life.

—last year in the United States your Red Cross aided more than 30,000 victims of flood, fire, tornado or other unavoidable disaster in 150 stricken communities.

—last year 92,000 women and girls, under Red Cross instructions, completed courses in home care of the sick.

Over Half of Your Membership Works at Home

See how large a percentage of your Red Cross membership dollar stays right here in your own community.

Fifty cents of every dollar received from annual membership dues is retained by your local Red Cross chapter—

- to fight disease and make your own community a healthier, safer place for you and your family
- to teach emergency aid in case of accidents
- to save the babies and guard the family health by teaching home hygiene, care of the sick, and home dietetics.
- to give immediate relief to victims of epidemics, explosions, floods, fires or similar calamities
- to aid in the care of crippled children, deserted mothers, financial stress, etc.

What Is Done With the Rest

The balance of all membership dues is forwarded to the Red Cross national headquarters at Washington. National funds are composed principally of voluntary contributions. These include amounts still on hand for uncompleted war projects. There is also included the amounts received from membership dues—these National funds are used partly for relief work in foreign lands, and partly for national relief work in the United States, including

- assistance to soldiers, sailors and marines in camps and hospitals
- assistance to families of service men
- assistance in sudden disasters
- public health and nursing service
- development of Red Cross service program in the United States.

The management cost at National Headquarters and the 14 Divisions is less than 4 per cent of the total expenditures.

TEMPLE HIGH DEFEATS CAMERON

LOCAL FOOTBALL ARTISTS PLAY
RINGS AROUND HUSKY
VISITORS.

Temple high school football eleven added another scalp to its belt on Woodson field yesterday afternoon, before a large crowd of interested spectators, overwhelming the Cameron high school eleven by a top-heavy score.

1st. quarter. Temple got away to a good start. Cameron kicked off 30 yards and Cox for Temple recovered. S. Hewett made 35 yards on a forward pass initiated by Heflin, scoring in touchdown. George kicked goal.

2nd quarter. The second session featureless, Cameron showing stronger mettle and effectiveness. Just prior to close of the quarter a Cameron end made a 25 yard dash, reaching within 3 yards of the goal line before being tackled effectively. Four futile attempts made to cross the line resulted, netting an advance of a single yard. The ball passed to Temple. The only opportunity offered Cameron to score during the game was lost in this quarter.

3rd quarter. Hewett made a second touchdown in this quarter on an 18 yard dash, on Smith's 18 yard forward pass. George failed to kick goal.

4th quarter. Fast work on the part of Temple resulted in three touchdowns in this quarter, heavy offensive work turning the trick. Grimes was credited with two of the touchdowns. No goal.

Temple 32, Cameron, 0.

Although Cameron put up a game fight, their defense was weak and on the offensive they proved incapable of shaking the local line. The game was practically free of squabbles and in all respect was a good clean exhibition of the sport.

MISSOURI TO HAVE NEGRO LEGISLATOR

FIRST OF RACE TO SIT AS MEMBER SINCE DAYS OF RECONSTRUCTION.

St. Louis, Mo., Nov. 5.—Waltham Moore, a negro waiter, and the first member of his race to be elected to the Missouri legislature since the reconstruction period, paid taxes under a different name on a "politician's lot" last September, Collector Edmund Koeln said today, and is qualified to a seat in the legislature.

It was announced this morning by Collector Koeln that the tax books failed to show Moore paid taxes since 1915 and consequently could not take his seat because of a Missouri statute which says a man must have paid taxes within the year prior to his election before he can be seated as a state representative.

Further investigation by Collector Koeln, however, revealed that Moore purchased a lot with a four foot front from Robert Walker last September, and immediately paid \$4.75 back taxes on it for the last four years under Walker's name. Moore's

name was written on the reverse side of the bill, but was not entered in the collector's book, as the bill was made out in Walker's name Mr. Koeln amplified.

She Keeps Faith With You— Will You Keep Faith With Her?

Quietly, but effectively, the Greatest Mother in the World is toiling and drudging for you and yours.

She has not forgotten the crippled, blinded remnants of the war in Army and Navy hospitals. To the victims of disaster in war she still brings blessed relief.

She does more. She takes to her arms the victims of disaster in peace, the victims of floods, fires, tornadoes and other catastrophes. Over 30,000 such unfortunates were shielded and sheltered by her this year.

In preventing disease through education, in saving lives through careful nursing and by teaching first aid in accidents the Greatest Mother in the World—your RED CROSS—is keeping faith with you; keeping faith not only in your own country—aye, in your own vicinity—but also in devastated foreign lands.

Will you keep faith with her? The good she has done in the past has been possible entirely through the help of your membership. Will you continue to sustain her as she continues to sustain you? Then join the Red Cross or renew your membership. Send your application on the enrollment blank below to your nearest Red Cross Chapter.

POINT ISABEL HAS BRIGHT PROSPECTS

TOWN WHERE HARDING TO BE GUEST ASPIRES TO BECOME INTERNATIONAL PORT.

A quiet fishing village, located on a bluff overlooking the bay, springing into prominence overnight with the announcement that the President-elect of the United States has chosen it as the most desirable place in which to spend a two weeks vacation, is not the unimportant town which it seems, according to William T. Burnett of Dallas, former secretary of the board the southeast of Brownsville, where Point Isabel, twenty-five miles to the northeast of Brownsville, where Senator Harding is scheduled to rest from the labors of his recent campaign, has only 250 inhabitants now, but as a result of the activities of live-wire citizens of Brownsville and other Rio Grande valley points, a transformation of the fishing towns into one of the most important ports on the Atlantic coast is promised. So Mr. Burnett declared Thursday.

Only Seven Miles From River.

As a result of the campaign recently waged throughout the Valley in an effort to sell the \$191,000 quota of Rio Grande Railway Company bonds, which was required by the government before work should begin on the deepening of the Point Isabel harbor, Mr. Burnett said that it means that the little village will become nothing less than an international port. It lies only seven miles north of the mouth of the Rio Grande and is the only coast port in the intervening distance north of Tampico.

Announcement of the pledging by the citizens of more than the required railroad bond quota was made last Tuesday, Mr. Burnett said, after a drive by a committee throughout the entire district. This will mean the regauging of the railroad which runs between Point Isabel and Brownsville and insures the Government adequate railway connection at the port. The road is now a narrow gauge line.

Begin Dredging Soon.

With the meeting of the government's requirements, the dredging operations at the port will follow im-

mediately, Mr. Burnett said. When completed the project will make Point Isabel a land-locked, deep-water harbor. The ship channel will be eighteen feet deep and 400 feet wide, extending through Brazos de Santiago and connecting Laguna Madre with the Gulf of Mexico.

The improvement of the port was approved by Congress last year, after Mr. Burnett and two other Brownsville citizens had spent six weeks in Washington, in the interest of the measure. The initial cost of opening the pass is \$66,000 and \$25,000 a year for five years' maintenance. The inner channel is to cost \$125,000. The bill was introduced by Senator Morris Sheppard.

R. B. Creager, former collector of customs at Brownsville, has a summer home at Point Isabel. This will be occupied by President-elect Harding and his family. The Jefferson Inn will accommodate other members of the party, including the newspaper men, it is announced.

OFFICER KILLED IN MARLIN JAIL

MEXICAN PRISONER REMOVED FROM CITY IMMEDIATELY AFTER SHOOTING.

Marlin, Texas, Nov. 4.—Within a few yards of where the Falls county grand jury was holding its session, here this afternoon, Oscar Sharp, 40 years old, Deputy Sheriff, was shot and killed in the county jail just after he opened the door to give the prisoners their noonday meal. Called to the scene immediately from his office in the court house nearby, Sheriff C. C. Moore entered the jail and found Jose Flores, Mexican prisoner and trusty, holding Sharp's revolver. Two shots had been fired. The Mexican was carried to Waco immediately, where Cecil R. Glass, Assistant county attorney, went this afternoon to discuss the case with Flores.

Flores had been held in jail pending an appeal on his conviction and sentence of two years in the penitentiary on a charge of assault with intent to

murder a negro northwest of Marlin.

One of the negro prisoners in the jail at the time of the shooting is credited with saying that when Sharp unlocked the door Jordan Israel, another negro prisoner, took a pan of cabbage from the deputy, then grappled with him, the Mexican attacking him at the same time.

One of the negro prisoners was overheard to remark that he would "tell all about the frame-up" while being carried from the jail to the grand jury room for investigation of the case which began immediately, under direction of N. C. Jennings, the county attorney. The proceedings of this body are secret and no information as to what was ascertained in this connection could be secured.

Sharp is survived by his wife and four children. He was a former constable of the Chilton precinct in this county, where he had resided for a long time and was held in high esteem.

Sharp's keys were thrown from the jail window during the struggle that ended his life, thus frustrating any attempted jail delivery.

4th RED CROSS ROLL CALL ON TODAY

World War Ended Two Years Ago November 11th

Two years ago today the greatest victory in history came to American arms. Do you recall the joy with which you received the news of the Armistice? The shrill cry of the newsboys on the streets—the screaming headlines, and how eager the people as they bought and read the extra. The greatest war in history had come to an end. There would be no more fighting; your boy and your neighbor's boy would come back home. Here is what you read:

WASHINGTON, Nov. 11, 1918.—The world war will end this a. m. at 6 o'clock Washington time, 11. Paris time. The armistice was signed by the German representatives at midnight. This announcement was made by the State Department at 2:50 o'clock this morning.

MARSEILLAISE SUNG IN THE STREETS OF BERLIN; KINGS NOW ABDICATING FAST.

William Hohenzollern, the abdicated German emperor and king of Prussia, and his eldest son, Frederick William, who hoped to some day rule the German people, are reported fled to Holland.

The revolution which is in progress throughout Germany, although it may seem a peaceful one, probably threw fear into the hearts of the former kaiser and the crown prince, and caused him to take asylum in a neutral state.

KINGS ABDICATING FAST

Wilhelm II, reigning king of the monarchy of Wurttemberg, is declared to have abdicated Friday night and reports have it that the grand duke of Hesse, ruler of the Grand Duchy of Hesse, has decreed the formation of state to take over the government there. Every dynasty in all Germany is to be suppressed and all the princes exiled, according to Swiss advices.

Peoples' governments have been established in the greater part of Berlin and in other cities of the kingdom and empire. Leipzig, Stuttgart, Cologne, Essen and Frankfurt have joined the revolution. In Berlin, there has been some fighting between the revolutionists and reactionaries in which several persons were killed or wounded. The palace of the crown prince has been taken over by the revolutionists.

TERMS OF THE ARMISTICE:

Immediate retirement of the German military forces from France, Belgium and Alsace-Lorraine.

Disarming and demobilization of the armies.

Occupation of the allied and American forces of such strategic points in Germany as will make impossible a renewal of hostilities.

Delivery of the German high seas fleet and a certain number of submarines to the allied and American naval forces.

Disarmament of all other German warships under supervision of the allied and American navies which will guard them.

Occupation of the principal German naval bases by sea forces of the victorious nations.

The counties of Austin, Fayette, Colorado, Burleson, Lee, Fort Bend and Waller are embraced in the district which was the last representative district created by the Legislature.

Tillotson is the author of much of Texas' constructive legislation, having served in the two called sessions of Thirty-Third, Thirty-Fourth, the Thirty-Fifth and Thirty-Sixth Legislatures.

THE FOURTH ANNUAL ROLL CALL

The American Red Cross will open its Fourth Annual Roll Call on Thursday, November 11th, 1920, or on Armistice day. Wouldn't it be a splendid thing if our county should raise its quota on this day which meant so much to a war weary world?

Our minimum quota is 3,750 members. This number can be easily raised if a grateful people will do what is in their hearts to do on that day.

The Peace Time Program of the American Red Cross is worthy of the support of every loyal American. It covers work in the schools, work with the wounded ex service men and the families, work in relieving many kinds of calamities, plagues and epidemics; work in home service and dietetics and work among the destitute peoples of the Old World where every means of support has been destroyed.

Great is the opportunity for service and great should be the response.

Let us celebrate Armistice Day by subscribing our full quota.

W. G. GILLIS,
Chairman Milam County Chapter A. R. C.

REPUBLICANS GAIN IN LATE RETURNS

WILL HAVE 293 MEMBERS IN THE HOUSE TO ONLY 138 FOR DEMOCRATS

New York, Nov. 10.—Republican victories in three congressional districts, two now represented by democrats—the fifth Missouri, the eighth Minnesota and the twenty-third New York—assured, with the receipt to-night of the belated returns determined definitely the line-up of the house of representatives after March 4, according to unofficial returns.

The republicans will have 293 representatives in the house, to 138 democrats. The other four of the 435 members, include one socialist, one independent prohibitionist, and one independent republican. The figures represent a net gain for the republicans of 61 members and a loss to the democrats of 52. The present congress contains an equal number of miscellaneous members four, with 232 republicans and 190 democrats.

In two of the districts reported today the republican victories will result in the unseating of two Democratic representatives who are members of the present congress. In the fifth Missouri, E. C. Ellis, republican, defeated William T. Bland, democrat, candidate for re-election, while the situation was similar in the twenty-third New York, where Richard F. McKiniry, democrat, who now represents the district, lost to Albert R. Rosendale, republican.

CHAIRMAN B. P. ATKINSON STARTS ON DRIVE WITH COMMITTEES—IS FOURTH CALL TO NATION

The Red Cross today makes an appeal to the heart of America for support in carrying out its constructive peace time program. This is Red Cross day everywhere in America. It is a call to the sympathies of the people in aiding this great movement and to make possible the consummation of its plans for the important work to be done in its sphere of usefulness.

Today as the sons of American patriots in Milam county gather under the formal auspices of a patriotic celebration to commemorate the achievement of American arms in the late world war, "The Greatest Mother In The World" comes with her broad sympathies and genuine appeal for aid in carrying out the social and humane work she so faithfully and efficiently performed in that period when the red tide of war swept the world.

She is appealing to that same American heart that responded in the trying days of the war that the horrors of the conflict might be softened with the touch of her tender care and sacrifice. Many wounds, deep cut, are yet to be bound up. The lengths to which this great service has gone has unfolded opportunities for solving peace time problems and the world has become so dependent on it that it is necessary for the American people to underwrite its purpose and plans.

Chairman B. P. Atkinson of the Fourth Red Cross Roll Call in Milam county, today inaugurates the county-wide campaign to raise the quota set this quota is \$3,670.

Monday, November 15th has been set as the day on which the drive for the quota will begin in Cameron. In every town and community in the county a directing head of the campaign has been appointed and it is planned that the canvass for membership for subscriptions will begin simultaneously.

Patriotic and sympathetic business men and citizens and public officials are this week underwriting a strong advertising campaign for the benefit of the Fourth Red Cross Roll Call. The canvass for membership and for funds to aid the peace time program of the Red Cross beginning today will end officially on Thanksgiving Day, November 25th.

Chairman Atkinson announces his intention to carry the canvass thru December in order to try not only to raise the quota set for the county but to achieve the maximum of benefits to be gained by an extensive enrollment throughout the districts. One of the primary objects of the Roll Call is to enroll a large membership, but it is pointed out that upon this basis alone sufficient funds can not be obtained; therefore, a systematic survey will be made in order to obtain a large number of five and ten dollar memberships.

One of the most immediately beneficial phases of the Roll Call is the provision that local chapters may retain fifty cents of each dollar membership; four dollars from each five dollar membership and eight dollars from each ten dollar membership. The amount of funds therefore that will go to strictly local benefits will depend on the denomination of subscriptions.

The public health service feature of the peace time program of the American Red Cross is one of the most important which has been incorporated. This feature insures a public health nurse for each chapter and a part of the funds derived from the roll call will go to the support of this service. The nurse is doing important work in a public way in teaching the science of health among the children and in many cases correcting existing infirmities by pointing out the need for medical attention and sanitation. This feature has not been possible heretofore but is now made a part of the peace time program.

The duties of the public health nurses are two-fold, to prevent disease and to care for the sick. She is not simply the nurse but a guide and

instructor of the women who are the home makers of the world.

The money retained from the subscriptions for home work in addition to the maintenance of the public health nurses is used for the following purposes: To fight disease and make your own community a healthier, safer place for you and your family; to teach emergency aid in case of accidents; to save the babies and guard the family health by teaching home hygiene, care of the sick and home dietetics; to give immediate relief to victims of epidemics, explosions, floods, fires or similar calamities; to aid in the care of crippled children, deserted mothers, financial stress, etc.

What is done with the rest: The balance of all membership dues is forwarded to the Red Cross National Headquarters at Washington. National funds are composed principally of voluntary subscriptions. They include amounts still on hand for uncompleted war projects. There is also included the amounts received from membership dues. These national dues are used partly for relief work in the United States, including: Assistance to soldiers, sailors and marines in camps and hospitals; assistance to the families of service men; assistance in sudden disasters; public health and nursing service; development of the Red Cross service program in the United States.

During the next few weeks the drive for membership will be made in Milam county and it is urged that all the people be enrolled thus completing the aid necessary for this great work. The county quota is small and should be raised in a short time. However it is desirable that a large membership be obtained on the dollar basis. This will insure a wider distribution of the privileges of participation in this great work and will bring close to all the people this organization which merits the support of all.

Judge W. G. Gillis, county judge of Milam county, patriotic citizen and a leading figure in war activities of the county, is the head of the Red Cross in Milam county. Judge Gillis praises the peace time program of the Red Cross and is enthusiastic about the coming drive and will give liberally of his time and influence toward the success of the Roll Call. It is expected, if necessary, the Judge, a widely celebrated public speaker, will deliver addresses in the half of the Roll call as well as spend his time actively to map and carry out a winning program.

No less enthusiastic is Ben P. Atkinson, director of the Roll Call in the county. Mr. Atkinson has asked the aid of every source to contribute to the success of the drive and has shown his interest for success by doing much advance work and having committees active prior to the opening date.

Make your check today for \$1, \$5, or \$10, according to the membership you wish to take and be ready when the committees call for your name upon the roll of the most beneficial organization in the world—The American Red Cross!

MILANO ELECTION CLERKS WORKED ALL NIGHT LONG

A total of 172 votes were cast at Milano box and the election clerks worked all night long until 2 o'clock in the morning before all the ballots were entered upon the tally sheets. Only one of the Amendments carried,

the second one, the other two being defeated. There were a few republican votes and a few socialist votes, but the others were very much of a mixed kind.—Milano Gazette.

Mr. W. A. Wilkerson and family of Cameron spent Thursday in Waco attending the Cotton Palace.

EX-SERVICE MEN IN SYMPATHY WITH RED CROSS PLANS

MEN WHO SERVED IN WORLD WAR SAW GREAT BENEFITS FROM SERVICE OF THE RED CROSS

One way to judge the merits of the American Red Cross peace time program is what the ex-soldier and service man has to say about it. Without exception the ex-service men in Milam county are eager to help the Red Cross and will do all in their power to further its plans for the peace time program.

These men are in Cameron today for the second annual celebration of the signing of the armistice. Today begins the fourth roll call of the Red Cross. The ex-soldiers are doing all they can for the success of the roll call.

The service men saw in actual results during the trying days of the war the benefits of the Red Cross and are unstinted in their praise of this great organization. The Red Cross helped the boys when they were in Europe under the most trying conditions and sacrifices when they needed the aid. The Red Cross now comes with a peace time program that has the approval of the soldier because it will be employed to assist those who need help in the army and navy camps of the United States.

Back up the verdict of the service men of Milam county as they gather in celebration here today and join the Red Cross. Help the organization that helped those who won the war. "The Greatest Mother in the World" now must bind up the wounds of the nation; must serve on in this great work which has unfolded opportu-

ities for real service.

Join the Red Cross today.

OVERTURNED AUTOMOBILE PROVES A MYSTERY

Since late Friday afternoon, October 29, local authorities have been attempting to unravel the mystery surrounding the finding of an overturned car on the banks of the San Gabriel river, just south of the gin at Circleville where the Georgetown and Granger roads branch out. With the car was found a man's hat which adds to the mystery.

The car is the property of E. B. Simmons, local attorney. It was loaned early Thursday morning to Milton and Forrest Simmons, cousins of the attorney, to make a trip to Granger. The young men were to return to Taylor Thursday evening. Upon their failure to return Thursday, and still being absent Friday, the young wife of Milton Simmons notified relatives. Parties passing on the Circleville road discovered the overturned auto and hat on the river bank as stated above.

Officers in Taylor were immediately notified and thorough search was made for the body or bodies. Boats were put into service and the river bed dragged for several hundred yards without results.

The two Simmons boys and an unidentified man were last seen about midnight Thursday in Granger and were leaving for Taylor. It was stated that one of the men had a large sum of money on his person, but this report was unable to be confirmed.

Another report has it that young Simmons went to Granger to collect a sum of money from the railroad for his truck which was smashed by a Katy train about three weeks ago.—Taylor Press.

SUNDAY RED CROSS DAY IN AMERICA

PLANS PROVIDE FOR RED CROSS SUNDAY NOVEMBER 14—LOCAL MINISTERS URGED TO HELP.

November 14th will be Red Cross Sunday throughout the United States.

Chairman B. P. Atkinson is in receipt of information from the headquarters at Dallas proclaiming Sunday as Red Cross Sunday and asking that the day be observed. In this way it is planned to reach many people otherwise not in touch with the movement.

It is hardly possible that the day can be given over entirely to Red Cross program but it is suggested that reference can be made from the pulpits of Cameron to the Fourth Red Cross Roll Call, thus giving the drive a wider measure of publicity.

The suggestion that the day be observed is contained in a letter sent to Director Atkinson by M. J. Levy of Dallas, manager of the speakers bureau in the state organization. This is one of the many good plans now being formulated for the roll call which begins today.

George Waverly Briggs, former commissioner of insurance and banking has been appointed as the director for the roll call in the five states as follows: Texas, Arkansas, Kansas, Missouri, Oklahoma.

It is suggested that the church societies may aid in this work as well as the Sunday school. Suggestions are also made for co-operation in the schools where programs can be made and carried out without interfering with the processes of teaching the regular courses.

THORNDALE FIRE THREATENED ENTIRE BUSINESS DISTRICT

RESTAURANT DAMAGE IS \$2550 IN EARLY MORNING BLAZE ON MONDAY.

Thorndale citizenship was aroused from slumber about 1:30 o'clock Monday morning by the report that the Field and Bryant restaurant was on fire. On reaching the scene it was discovered that the fire had originated in the kitchen, which was a small sheet iron building adjoining the main brick building, and was a mass of flame, but owing to the fact that the wind was not blowing, Thorndale's very efficient bucket brigade soon obtained control of the situation, with very little damage being done to the main brick building except a scorched ceiling, and none to the adjoining buildings. However, it is a fact not to be lost sight of that the easy control of the fire was due largely to the absence of a high wind, and that other towns have found by experience that this primitive mode of fire fighting is a dangerous equipment to rely upon in a real fire.

The stock loss in this fire was \$1,650, fixtures, \$200; house damage, in-

cluding kitchen and rear end of brick stand, is partially covered by insurance, \$700. This loss, we understand.—Thorndale Champion.

The Lost Children's Battalion

Over two years ago, 782 children—probably more than are in your entire Sunday School—were shipped from Petrograd into Siberia when the food ran short.

Then your Red Cross stepped in, helped feed and clothe them, doctored them, mothered them (some of the little cherubs were mere babies) and has kept them safe and sound.

Russian revolution made it impossible to take them back the way they came. So the Red Cross set out on a 25,000 mile journey to take them home by way of Japan, through the Panama Canal to New York and then to France. The New York Tribune, in an editorial Aug. 25, 1920, says: "In the face of difficulties almost insuperable the American Red Cross has kept them safe and sound."

It is estimated that there are in Europe more than ten million fatherless children—little homeless wanderers—who must continue to look to your Red Cross for help.

Your Red Cross membership makes it possible to carry on such work. Join the Red Cross or renew your membership during the

The Greatest Mother!

She Binds Up the Wounds of the World

If a man were hit by a car in front of your home, would you be able to give first aid?

If one of your children should swallow poison, could you give emergency treatment that would save his life?

If an epidemic should strike your community, do you know the preventive measure to help keep your family well?

In order to prevent the thousands of needless deaths through accident and preventable sickness, your Red Cross is teaching first aid to families throughout this broad land.

Already over one million people have received the First Aid Instructive Courses from the Red Cross.

Is this work important? You will agree that it is when you consider that there are annually in the United States over 400,000 deaths from PREVENTABLE diseases and accidents—eight times the battle deaths of the American Army in the World War.

The Red Cross must increase its membership—not grow less. The work must go on. Join the Red Cross or renew your membership during the

RED CROSS WON HEART OF WORLD BY ACTS OF SERVICE DURING WAR

Primarily the American Red Cross as an organization was put on a war basis and its funds were raised to help and to comfort the American soldier and sailor but it was soon found by the Red Cross workers overseas that the best way to appeal to the allied soldiers and help them maintain their fighting spirit was to help and comfort the ones at home. In this way they not only gained a reputation as being able to bind up wounds in battle, but the bleeding hearts of humanity as well. It was here it gained the name "The Greatest Mother in the World."

After the Armistice was signed and the French people were returning to what had been their homes to find them destroyed, it was here that the Red Cross came to perform its next work for the people of France. Blankets, clothing and food were furnished, the sick were cared for but the thing that helped the people most was the spirit in which aid was given and the inspiration they received kept up their morale and brought them back to where they were a self-supporting people.

Paderewski said in the early days still the mission of the Red Cross at home and abroad, the mission of service.

The work of the Red Cross now is against ignorance and disease. In the United States today there are three million people sick of physical diseases.

During the time we were engaged in the world war, for every American soldier killed in battle or died from wounds, ten babies under one year of age died in the United States. Ten future Americans died for every pres-

ent American who gave his life for their future. Sixty-five per cent of these infants' deaths were preventable, being the result of ignorance and carelessness. This multitude of children died because half of our people are ignorant of the real need of sanitation and hygiene; because half of the mothers do not know how to give proper care to their children.

People have an idea that because God takes care of human life that their whole duty is to care for their property, so millions of dollars have been spent annually to war against animal diseases and bugs, worms and weevils that destroy crops, yet including our pure food and drug regulations, very little has been done to protect human life. We attribute a great deal of this to the superstition that has long remained with people that sickness is a visitation of Divine Providence.

People have been slow to realize that the habits, sins and faults of our lives are the source of most of our troubles, dirty water, contaminated food, ill ventilated rooms, and death dealing garbage-borne flies. It is these and not the hand of a loving God that scatter disease and death. It has been said that public health is purchasable, that with the present knowledge of disease that a city can to a great extent establish its own death rate.

When the war was over the Red Cross having seen the need for Public health nurses and teaching, began to seek public health nurses and to provide ways for them to be trained. The duties of public health nurses are two-fold, to prevent disease and care for the sick. She is not simply the nurse, but the guide and instructor of the women who are the home makers of the world; it is her work to suggest methods of betterment, to lay the foundation for sanitary house

keeping, for better babies—more normal children and better health for all—a stronger generation for tomorrow than ours has been for today. It is her work to inspect the school children, so that weak eyes, unhealthy teeth and other physical defects may be discovered and remedied. It is her work to teach mothers and girls home hygiene and care of the sick. There is hardly a girl or a woman who is not at some time called upon to care for the sick in their own home and such practical instructions as are offered by the Red Cross may be the means of checking epidemics and bringing health to the family.

Last year we spent seven millions of dollars to protect farmers against the pink boll worm; during the same time we spent less than two hundred and fifty thousand dollars to prevent avoidable loss of mothers and babies. Through education and training of the mother in the care of herself and her child we have the strongest influence for combating mortality. No more altruistic far reaching labor can be conceived of than teaching the women who build the world that is to come.

RED CROSS IS DOING BIG WORK IN CAMERON

Monthly reports of Milam County Nursing Service for September:

September 1 to 8, enrollment of Childs Health Conference. There were 240 children between the ages of 6 months and 6 years enrolled by house to house canvass. From the 8th to the 11th the conference was held and 166 children were examined, weighed and measured, and advised as to the treatment, diet and other things. And many of these children are now under

treatment for defects that were at that time found. Among these are two children who are being treated for trachoma.

September 12th to 16th, follow-up visits were made to these homes and one of the cases of trachoma was accompanied to the doctor.

September 16 to 30, school work was begun at this point, 649 children were inspected for visible defects, 92 cases of trachoma were found and were diagnosed by different physicians, these are all getting proper

treatment. Two children were fitted with eye glasses, and a number of others will get glasses soon. 181 children were found to have defective teeth, 237 who have enlarged tonsils and probably adenoids. In connection with the school work 36 home visits were made and 11 children accompanied to their physicians.

Over 92,000 families are healthier and happier today, thanks to the Greatest Mother in the World—the Red Cross.

The Red Cross, through its nation-wide organization, taught them simple truths for preserving their families' health; taught them what food is best for their families' health; taught them how to care for the sick, saving babies and adults the country across.

Are We Blinky Downhearted?

NO! Not so long as the Red Cross sees a fellow through

Let a blind soldier speak to you—

"Close your eyes for a moment. Then imagine that, for you, the rest of your life was to be one perpetual night; no flowers, no colors, no friendly faces—just sounds and smells and feeling things with your fingers. That's blindness.

"But are we blinkies downhearted? NO! Not so long as the Red Cross sticks around and sees a fellow through!"

Your Red Cross does just that—"sticks around and sees a fellow through."

Not only is your Red Cross helping all of those men who were blinded or half blinded in the war and training them for happy, self-supporting occupations; it is helping to bring back to health more than 26,000 men who are still in hospitals as a result of the war.

Over Half of Your Membership Dollar Works at Home

See how large a percentage of your Red Cross membership dollar stays right here in your own community.

Fifty cents of every dollar received from annual membership dues is retained by your local Red Cross chapter—

- to fight disease and make your own community a healthier, safer place for you and your family
- to teach emergency aid in case of accident
- to save the babies and guard the family health by teaching home hygiene, care of the sick, and home dietetics.
- to give immediate relief to victims of epidemics, explosions, floods, fires or similar calamities
- to aid in the care of crippled children, deserted mothers, financial stress, etc.

What Is Done With the Rest

The balance of all membership dues is forwarded to the Red Cross national headquarters at Washington. National funds are composed principally of voluntary contributions. These include amounts still on hand for uncompleted war projects. There is also included the amounts received from membership dues—these National funds are used partly for relief work in foreign lands and partly for national relief work in the United States, including

- assistance to soldiers, sailors and marines in camps and hospitals
- assistance to families of service men
- assistance in sudden disasters
- public health and nursing service
- development of Red Cross service program in the United States.

The management cost at National Headquarters and the 14 Divisions is less than 4 per cent of the total expenditures.

When your Red Cross spends, it spends patriotically, conservatively, wisely. In joining the Red Cross you can join without misgiving, armed with the knowledge of just where and how your membership dollar will be spent. Join the Red Cross or renew your membership during the

HIGHWAY BOOSTERS ARE ENTERTAINED IN ROCKDALE THURSDAY

BRAZOS BRIDGE AND OTHER
MATTERS DISCUSSED BY
DELEGATES—GUESTS
OF C. OF C.

Rockdale entertained the East & West Texas Highway Association last Thursday in elaborate style. The forty odd delegates who were present all went home feeling that they had indeed been guests of a most hospitable citizenship, and before the final session of the Association closed strong resolutions of appreciation were passed.

Entertainment features consisted of an automobile ride out to Tracy oil field in the afternoon. Here the visitors were shown all kinds of shallow oil wells in all stages, from the drill to the finished pumper. They also inspected the refinery, and were duly impressed with what they saw.

Returning to the city at 6:00 p. m., the visitors were driven to Mineral

Park where the Chamber of Commerce had arranged a barbecue supper. Here an elaborate spread was placed before them, which resolved itself into a smoker with vaudeville stunts by a professional team of artists, and music by the Rockdale band. This entertainment and supper made a distinct hit with the visitors. Barbecued beef and pork, hot coffee with constituted the menu, with gallons of cream and sugar, pickles, bread etc., constituted the menu, with gallons of excellent grape juice and cigars on the side. All members in good standing of the Chamber of Commerce were also participants of the feast. The vaudeville attractions were presented on a stage especially placed for the purpose. It was the most unique and successful affair ever staged in Rockdale.

Delegates were here from as far as Longview. The towns of Gause, Milano, Hearne, Franklin, Jewett, Jacksonville, Mexia, Austin and Longview were represented and the delegations were enthusiastic.

Afternoon and night business sessions were held at the Chamber of Commerce headquarters. The afternoon session was called to order at 3:00 p. m. by Mayor H. C. Meyer who is also president of the Association. At this session the delegates enrolled,

the organization was made permanent, and the temporary officers elected at the Hearne meeting agreed to hold until the next meeting when permanent officers will be elected. The present officers are: H. C. Meyer, the president; O. D. Baker, Gause, secretary; Mrs. F. R. Pugh, Hearne, Assistant Secretary and Treasurer. The officers were all present. After the appointment of a committee on resolutions, the Association adjourned for the trip to the oil field and the subsequent supper and smoker.

At the night session much business was transacted and some exceptionally good speeches were heard, and enthusiasm was unbounded. The keynote of the speeches was to the effect that where such enthusiasm reigned success was bound to be attained. The purposes and aims of the Association were outlined by Secretary O. D. Baker. Briefly stated the purpose is to promote the Reagan Division of the Bankhead National highway, from Longview to San Antonio along the I. & G. N. railway. The plan has heretofore been given in detail in

these columns.

The committee on constitution reported, endorsing the project in toto, and pledging the Association to use every honorable means for the furtherance of the same. The resolutions called upon the several commissioners courts along the route, and upon the State Highway Commission, asking their co-operation and assistance. The report also recommended that another meeting be held not later than December 15, at such place as in the judgment of the president and secretary might be deemed best. Unanimously adopted.

The committee on constitution asked for further time to prepare its report and promised to have same ready by next meeting; granted.

A committee of five was appointed from each county along the route, as an advisory committee to confer with their several commissioners courts and commercial bodies looking to the furtherance of the project as relating to the individual county problems. Another committee was appointed to confer with the State Highway Com-

mission. Attention was given the matter of financing the Association and money raised to meet present needs. A liberal donation was also voted to Mrs. Pugh for her services as assistant secretary.

In relation to the Brazos bridge, County Judge Reed of Robertson county, who was present, stated that his court had already made an appropriation for their part of the expense. It was also stated on unquestioned authority that the State Highway Commission stood pledged for aid on this bridge, and it only remains for the Milam county commissioners court to make an appropriation in order that this bridge shall be insured. County Judge Gillis of Milam county, was present and stated that he was in sympathy with the movement, and would do anything in his power to arrange for the necessary funds. He stated however, that the county was not in shape to undertake so large an expenditure, and tendered the services of the county engineer to confer with the State Highway Engineer in preparing an estimate of the cost of the

bridge. After securing this data Judge Gillis promised that his court would immediately go into the matter and endeavor to raise the funds. He pledged the court definitely not to consider any other bridge proposition until this bridge had been provided. Judge Gillis went to Austin the same night, and while there agreed to confer with the highway engineer and arrange an early date for a conference and report.

The night session held until a very late hour, and was enlivened by much oratory and good-natured badinage. Hon. C. M. Beard, of Milano, was the principal entertainer in this line, paying in his respects to lawyers and county judges in a manner eliciting roars of laughter. Other entertainers of the evening were Hon. J. Felton Lane of Hearne; O. D. Jones of Longview; Hon. J. L. Harp of Mexia; C. Evans of Jewett; Hon. E. A. Camp of Rockdale; Mrs. F. R. Pugh of Hearne; Hon. O. D. Baker of Gause and others.

She Keeps Faith With You-- Will You Keep Faith With Her?

Quietly, but effectively, the Greatest Mother in the World is giving aid to those who need it most. She has not forgotten the crippled, blinded remnants of the war who are still in Army and Navy hospitals.

She does more. She takes to her arms the victims of disaster in peace, the victims of floods, fire, tornadoes and other catastrophes. Over 30,000 such unfortunates were shielded and sheltered by her this year. The Greatest Mother in the World—YOUR RED CROSS—is keeping faith with you; keeping faith not merely in your own country, but in devastated Europe as well.

WILSON'S MESSAGE URGES MEMBERSHIP FOR RED CROSS

GREAT ARMY OF MERCY FOR
SERVICE IN COMBATING ILLS
OF RECONSTRUCTION
SAYS PRESIDENT.

Washington, D. C., Nov. 10.—The following message from President Wilson, who is also president of the American Red Cross, to the American people was issued from the White House Sunday:

"The American Red Cross deserves a hearty response to its fourth invitation to annual membership, which will be issued during the fortnight beginning November the Eleventh, Armistice Day.

"Under the stimulus of war and through the co-operation of our people this organization grew into immense size, enlarged its range of activity, served not only nation and in great common enterprise, but gave the nations associated with us in a great common enterprise, and gave to the world an example of effective mercy through co-ordinated effort.

"Since the cessation of hostilities the organization has faced dual duty, first to fulfill obligations created by the war, and secondly to adapt its experience and machinery to the needs of peace.

"It is today still assisting govern-

mental needs in the care and cheer of our disabled soldiers and sailors. In replacing those able to work in civilian occupations, and in counselling aiding the families of former combatants; and it is still assisting, with diminished resources, the process of rehabilitation in some of the more prostrated countries of our former associates.

"While continuing these manifest obligations, the Red Cross has been accommodating methods and applying lessons learned in the war to the normal needs of our own people in times of peace, especially in regions where provisions for public health and welfare were imperfectly developed. It has placed public health nurses in many localities, and has endeavored to enlist greater numbers of young women in the nursing service in order that the supply may more nearly equal the steadily increasing demand for community nurses. It has devised a scheme of public health centers for the relief of maladies and for instruction in hygiene, dietetics, and general principles of disease prevention. With its nurses and nurses' aids it has rendered incalculable service in the serious epidemics of influenza. It has carried instruction in hygiene and first aid into schools, the women's clubs, and the homes of the country. It has taught young and untaught mothers how to care intelligently for their babies, and has done much in many ways rests. It has made it a fundamental to promote child welfare, upon which the welfare of the nation ultimately principle to avoid futile duplications, to co-operate with public agencies

when its co-operation is sought, and to supply deficiencies where such agencies had not yet been established.

"It has continued its educational work among the school children thru its Junior Red Cross, and it has, as one result of its war experience, put preparation for disaster relief on a scientific basis, so that it is now equipped to meet disaster emergencies promptly in almost every part of the country.

By systematic plans and practical performances, it has given a clear answer to the question why the Red Cross should be continued and carried over from war activity. The answer is in the record.

"Additional to these obvious aspects of the matter, there is another reason why I, as president of the United States and president of the American Red Cross, urge my fellow countrymen to join the Red Cross in impressive numbers; reaction follows emotion, and after great effort comes perilous lassitude. Sound patriotism and genuine service are continuous, not intermittent, not contingent merely upon excitement of war. If there is in some of us an inward cooling of the fervor which animated us in the crisis of the nation's stress and peril, a contraction of the spirit which ennobled us as individuals and as a nation, now during the Red Cross Roll Call, is a fitting season to take counsel with our inner selves to re-kindle the old flame and to reaffirm allegiance to practical humanitarianism, and to symbolize the regeneration of our better thought and handsomer selves by re-enlistment in a great army mobilized for

the common good.

(Signed)

Woodrow Wilson.

RED CROSS NURSE DOING BIG WORK

BETTER HEALTH FOR CHILDREN
AND COMMUNITY WILL RE-
SULT FROM RED CROSS
HOME SERVICE.

Cameron and Milam County are already seeing big results from the peace time program of the American Red Cross. Better health methods are being introduced where needed and children have been led to better health through the efforts of the Red Cross nurse assigned to this chapter under the peace time plans of the Red Cross.

Miss Estelle Carter of San Antonio has been in active service in this capacity since early September and one of the first features of the service was the holding of a child's health conference, in which two hundred and forty children between the ages of six months and six years were enrolled

by a house-to-house canvass.

This conference resulted in the correction of many ills being suffered by the children which in the end might have resulted in life infirmities. Many of the children are now under treatment for defects that were discovered during the conference.

This service is carried to the public schools by Miss Carter and will result in avoiding diseases and illnesses such as are common to children.

From every conceivable standpoint

the service is to be desired and as a part of the peace time program of the American Red Cross is an added inducement for a greater financial support from the people.

As a representative of this great organization Miss Carter deserves and will have the co-operation of all Cameron and Milam county. She has found a large place in the hearts of the people and her service will be incalculably valuable.

When a Coward's Hand Struck

Prompt ministrations of Red Cross saved many lives in recent disastrous explosion.

The bomb explosion in New York on September 16 struck like a thunder bolt—But the Red Cross was prepared; it was on the job immediately!

And everybody marvelled; while the papers praised! It was a revelation that the Red Cross in peace was as potent as the Red Cross in war.

How many lives the Red Cross saved, nobody knows. But every New Yorker knows this:

- in less than twenty minutes, over 75 Red Cross nurses and 35 field directors were assisting the stricken
- in less than twenty minutes, much needed truckloads of beds and bedding, surgical dressings, medical supplies, etc., were supplying the hospitals near the disaster
- many of the seriously wounded were saved from death by Red Cross first aid treatment, awaiting their transfer to the hospitals
- hundreds of victims with minor injuries were treated by the Red Cross, relieving surgeons for the more urgent cases
- thousands of relatives hungering for news, got prompt information from lists of dead and wounded prepared by the Red Cross

Nobody knows when disaster may wreak havoc in our own city. Nobody knows when some terrible fire, explosion, epidemic or other calamity may strike our own homes. Your Red Cross keeps prepared for just such emergencies. It is always ready to jump into action at a moment's notice.

It gives you protection. Will you give it support? Then join the Red Cross or renew your membership during the

If a man were hit by a car in front of your home, would you be able to give first aid?

If one of your children should swallow poison, could you give emergency treatment that would save his life?

If an epidemic should strike your community, do you know the preventive measure to help keep your family well?

In order to prevent the thousands of needless deaths through accident and preventable sickness, your Red Cross is teaching first aid to families throughout this broad land.

Already over one million people have received the First Aid Instructive Courses from the Red Cross.

Is this work important? You will agree that it is when you consider that there are annually in the United States over 400,000 deaths from PREVENTABLE diseases and accidents—eight times the battle deaths of the American Army in the World War.

The Red Cross must increase its membership—not grow less. The work must go on. Join the Red Cross or renew your membership during the

BUCKHOLTS NEWS ITEMS

Miss Audrey Criswell

Buckholts, Nov. 9.—Miss Mary Walshak, who is a student of Baylor college, was home during the past week end to see her father, Mr. S. Walshak.

Miss Alice Ford of Cameron was a guest last week in the home of her aunt and uncle, Mr. and Mrs. H. N. Harris.

Messrs. Lawrence Swanzy and Frank Zadwadske were in Sharpe Friday night to attend the oyster supper given at that place.

Misses Newman and Stella Carter, public health nurses, were working in this school Friday. They will finish their work at this place some time this week.

Rev. Williamson, a student of Baylor University, filled the Baptist pulpit Sunday morning and night. He will preach here again on the first Sunday of next month.

Little Miss Virginia Rector was in Cameron during the latter part of the week to visit relatives.

Mrs. S. M. Corley entertained on Monday afternoon in honor of the fourth birthday of her little son, Seth Jr. About forty guests responded to the invitation. They were delightfully entertained by playing numerous games. Mrs. Corley served cake and punch at the conclusion of the evening.

Miss Annie Howard of Yarrelton was here last week to see her aunt, Mrs. J. H. Oliver.

Mrs. Grady Brown and son, Garland, of Temple, are here to see her father, J. R. Williams.

Mr. Alex Henderson was in Fort Worth this week.

Mr. and Mrs. Louis Groppell, Alex and Miss Irene Groppell were in Manor last week to see relative.

Mrs. J. Z. Young is in Galveston to see her husband, Dr. Young.

Mrs. Willard Hill returned home Saturday from near Cameron. She been to visit her sister, Mrs. Luce.

The Fancy Work Club met last week with Mrs. Ross Dabney. About twelve members were present. A merry time was had, the ladies amusing themselves by doing little fancy work and much friendly gossiping. Mrs. Dabney served her guests with delicious cake and hot chocolate.

Among those from this place who

attended the Cotton Palace at Waco were: Mr. and Mrs. S. M. Corley, Mr. and Mrs. Raymond Bryant, Mr. and Mrs. D. S. Rogers, Mr. and Mrs. Eilmer Horstmann, Misses Leola Custard, Bertie Criswell, Vernie and Katy Zadwadske, Lucille Hooks, Emma Groppell, and Messrs. Joe Zadwadske, John Meyer, Buford McMillian, Zorus, Delma and Cecil Criswell, Vance Hopkins and Mr. and Mrs. H. E. Fauch.

UNITED STATES TIRE NEWS

Experienced motorists don't spend money experimenting with tires that have not established a thoroughly reliable reputation for themselves, for such experimenting costs money.

That is the reason why some of the fabric tires which built up fine records over many years of service continue prime favorites in the market, while the horde of cut-price cord tires with which the market is flooded find little favor.

Motorists who have learned by past experience say it pays better to buy

a good fabric tire like the United States or nobby tread than to take chances on a tire that has no other recommendation than that it is called a cord.

The success of such famous tires as the Royal Cord has been followed by the production of many so-called cords of inferior construction, but the mere fact that a tire is called a cord carries little weight.

HARDING WON, SO THEY EXPECT TO LIVE HAPPY

Chicago, Nov. 4.—"If Senator Harding is elected I will say yes. If Cox wins I won't." "All right, we'll shake hands on it."

That was Tuesday morning. Wednesday morning Miss Bessie Carter and Walter L. Barnoske stepped up to the marriage license bureau in the county building. They got a license and found a willing preacher, because Bessie was the one who spoke the above piece on Tuesday morning.

As Dead as the Dodo

Every druggist in town—your druggist and everybody's druggist has noticed a great falling off in the sale of calomel. They all give the same reason. Dodson's Liver Tone is taking its place.

"Calomel is dangerous and people know it, while Dodson's Liver Tone is perfectly safe and gives better results," said a prominent local druggist.

Take "Dodson's Liver Tone" Instead!

Dodson's Liver Tone is personally guaranteed by every druggist who sells it. A large bottle costs but a few cents, and if it fails to give easy relief in every case of liver sluggishness and constipation, you have only to ask for your money back.

Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults.

Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels. It doesn't gripe or cause inconvenience all the next day like violent calomel. Take a dose of calomel today and tomorrow you will feel weak, sick and nauseated. Don't lose a day's work! Take Dodson's Liver Tone instead and feel fine, full of vigor and ambition.

"Oh yes," she blushed. "I'm awfully glad Harding won. And—I knew the democrats didn't have a chance."

WOULD GLADLY GO ONE HUNDRED MILES FOR IT

That is What Mrs. Burns Says After Taking Tanlac—Gains Nine Pounds.

"I had sixteen miles to go to get my first bottle of Tanlac, but after the way it helped me I would gladly a hundred miles rather than be without it," said Mrs. George M. Burns of 1900 Spruce Ave., Kansas City, Mo.

"For six months I had stomach trouble and indigestion so bad that what I ate gave me no strength at all," continued Mrs. Burns. "I had no appetite whatever and was so nervous even the barking of a dog would completely upset me. My kidneys gave me a lot of trouble and I suffered a great deal with pains in my back; I

couldn't find relief at all and finally I got so weak and run-down I could not do my housework.

"A friend advised me to take Tanlac and I had to go all the way from Chataqua, Kansas, where I was then living to Sedan for it. But that was surely a profitable trip, for the Tanlac helped me right from the start. My appetite picked up and I can now eat anything I want and it does me good, too, for I have already gained nine pounds, am strong enough to do all my housework and am getting stronger every day. My nerves are steady as can be and I am in better general health than for many years. I have recommended Tanlac to a lot of my friends and every one of them has been benefited by it." Tanlac is sold by all druggists.

Mr. A. L. Massenale and family of Maysfield spent Friday in Cameron.

PRESBYTERIAN CHURCH NOTES

On last Sabbath in the Bible school we introduced a regular system of grading. Report cards will be sent home to the parents each month. The principles of a graded school are being more carefully carried out and we are looking confidently forward to doing better work in the school than we have been able to do in the past. If your children are not in Sunday school we would be glad to welcome them.

Next Sunday morning the service will be given to doing our part in the Red Cross drive. We are always happy to have friends and those who have no church home, to worship with us.

H. R. McFadyen, Pastor.

As Edison's Electric Light Outshines The Candle, So Edison's **AMBEROLA** Phonograph Outshines "Talking Machines"

THE complete list of Edison's Inventions, that have helped mankind to live better and to better enjoy living, reads like the Arabian Nights. Isn't it easy to understand why the inventor of the phonograph can produce the world's greatest phonograph value, the Amberola? Isn't it difficult to understand why anybody ever buys a talking machine, when they can own

EDISON'S NEW DIAMOND AMBEROLA

The World's Greatest Phonograph Value

Are you familiar with the shrillness and metallic sound of "talking machines" and ordinary phonographs? Then come to our store and listen to the pure, musical tone of the Amberola! The difference is startling.

Do you know the cost and bother of constantly changing phonograph needles? Let us show you the permanent Diamond Point Reproducer of the Amberola that does away with needles!

Have you seen how easily "talking machine" records

crack and break? Amberola Records can be accidentally dropped without damage—they are practically unbreakable and everlasting!

Would you like to own an Amberola, but feel you cannot afford one? Let us prove to you that Edison's wish to bring music into every home makes it possible for you to possess an Amberola almost on your own terms!

Come in and talk it over with us. If you cannot come soon, write us—today.

Health About Gone

Many thousands of women suffering from womanly trouble, have been benefited by the use of Cardui, the woman's tonic, according to letters we receive similar to this one from Mrs. Z. V. Spell, of Hayne, N. C. "I could not stand on my feet, and just suffered terribly," she says. "As my suffering was so great, and he had tried other remedies, Dr. — had us get Cardui. . . I began improving, and it cured me. I know, and my doctor knows, what Cardui did for me, for my nerves and health were about gone."

TAKE

CARDUI

The Woman's Tonic

She writes further: "I am in splendid health . . . can do my work. I feel I owe it to Cardui, for I was in dreadful condition." If you are nervous, run-down and weak, or suffer from headache, backache, etc., every month, try Cardui. Thousands of women praise this medicine for the good it has done them, and many physicians who have used Cardui successfully with their women patients, for years, endorse this medicine. Think what it means to be in splendid health, like Mrs. Spell. Give Cardui a trial.

HARDING ELECTORAL VOTE IS LARGEST IN RECENT DECADE

RETURNS SHOW A COLOSSAL LANDSLIDE FOR REPUBLICANS—CONTROL CONGRESS.

New York, Nov. 4.—A record smashing electoral vote for Senator Harding topping the 400 mark and republican majorities of more than a score in the senate and 150 in the house were assured tonight from the election Tuesday.

With the democratic strongholds of Oklahoma, Missouri and Tennessee definitely swept into the republican ranks by the party's crushing victory, the Harding-Coolidge ticket had 396 votes, exclusive of the five from Montana, where the republican state ticket was victorious and the presidential ticket ahead.

Complexion of Senate.

The republican landslide tonight had given the republicans 58 senate seats, against 37 for the democrats, with returns undermining the lead of Senator Beckham, democrat, Kentucky. His republican opponent, Richard J. Ernst, forged ahead in a nip and tuck fight over the only senate seat left unsettled. Of the 34 senate contests, the republicans captured 9 from the democrats and elected all 15 of their candidates. Among the democratic senators who today went down in defeat were Chamberlain of Oregon, former chairman of the military committee; Smith of Arizona, who lost to former Representative Ralph Cameron, and Henderson of Nevada, who was defeated by former Governor Oddie.

A Few Races Undecided.

Final returns from a few congressional districts still were belated tonight, some due to close races which upset a few previous announcements. With these missing districts the republican roll in the house had climbed to 287 to 140 for the democrats.

Among house members whose re-

election was reported definitely tonight was Representative Volstead, author of the Volstead prohibition enforcement act and chairman of the house judiciary committee, a position he is scheduled to retain. In the house contests, the republican sweep gave Ohio an almost solid republican delegation for the first time in its history. In this, the home state of Governor Cox and Senator Harding, the republicans gained and the democrats lost eight seats. In Missouri the republicans gained another block of eight.

Memphis, Tenn., Nov. 4.—With but two counties an less than fifty scattered precincts missing, out of the entire state, returns tabulated tonight by the Commercial Appeal, give Harding a majority over Cox in the state of about 10,017 and Alf Taylor, republican candidate for governor, a lead of 38,187 over A. H. Roberts, his democratic opponent.

The totals, as tabulated up to nine o'clock tonight are as follows:

Cox, 189,782; Harding 199,759.

For Governor:

Roberts 160,917, Taylor 199, 114.

The two missing counties, Marion and Bledsoe, are in the eastern part of the state and normally given a re-

You Do More Work.

You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness.

GROVE'S TASTELESS CHILL TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

GROVE'S TASTELESS CHILL TONIC is not a patent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood.

The Strength-Creating Power of **GROVE'S TASTELESS CHILL TONIC** has made it the favorite tonic in thousands of homes. More than thirty-five years ago, folks would ride a long distance to get **GROVE'S TASTELESS CHILL TONIC** when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 60c per bottle.

publican majority of about 800 on their combined vote. On the fact of the face of the returns received by the Commercial Appeal the republicans have gained one and possibly two congressmen from the state. Judge John A. Moon of Chattanooga was defeated by Joe Brow in the third district by about 5000. In the eighth Captain Gordon Browning has apparently been defeated by Lon A. Scitt. The race in the fourth district is close but Cordell Hull is in a safe lead which can not be overcome by the total vote of missing precincts.

The republican victory for the presidential ticket in the state is the first since 1868. The total vote will probably be about 410,000, the women's vote in the eastern part of the state having been much heavier than expected.

Oklahoma City, Nov. 4.—Oklahoma will send a delegation of five republicans and three congressmen to the sixty-seventh congress, according to a tabulation of returns from the eight congressional districts tonight. In addition, there will be one republican—J. W. Harrelld, Senator Robert L. Owen, democrat, is the present member.

The congressional races are closed in two districts. In the second, with one precinct missing from a county Alice Robertson, republican leads W. returning a republican majority Miss W. Hastings, democrat, by 276 votes. In the fourth, with 13 precincts missing, all in a county returning a heavy republican majority, J. C. Pringley, republican, leads by 551.

The democratic upset will extend to the next state legislature, according to incomplete returns. Political observers declare republicans will have a majority in the lower house, basin their conclusion on available figures, and a strong minority in the state senate.

The state will give a commanding majority to President-elect Harding and to Mr. Harrelld. A tabulation of nearly complete figures late today indicated Harding would carry the state by approximately 18,000 and Harrelld by well over 25,000.

New York, Nov. 4.—Governor Smith today conceded election of Nathan L. Miller his republican opponent, for

the governorship and sent a congratulatory message to his home in Syracuse. The message read: "Please accept sincere and hearty congratulations on your victory."

Helena, Mont., Nov. 4.—The plurality of Senator Harding over Governor Cox in Montana was increased to 42,000 in Montana in incomplete returns compiled today. The republican state and congressional tickets also were 937 of the Chicago precincts show

leadin the democrats.

Chicago, Nov. 4.—Returns from 1, Senator Harding polled more votes in this city alone than Governor Cox received in the entire state.

The 1,937 Chicago precincts give Harding 446,594.

In 4,881 precincts through the state Governor Cox received 443,889 votes.

Boston, Nov. 4.—Complete returns from Massachusetts show that Harding's plurality in this state was 401,865. The vote was: Harding 676,649;

Cox 274,784. The vote for governor was: Channing H. Cox, republican, 641,890; Walsh democrat, 288,806.

Packing Plant of Central Produce Company to Awaken Rural Thrift

With maximum possibilities to aggregate more than \$300,000 annually paid into the pockets of the farmers of Milam county and a present operating schedule which will pay to the producers this year more than \$50,000, the packing plant and produce market facilities of the Central Produce Company of Cameron gives promise of wide industrial usefulness, representing an unprecedented stimulus for rural thrift.

When the Central Produce Company established a packing plant and a produce market in Cameron a little more than a month ago there was added to the other many commercial assets of Cameron a great unit for expanding market centers here and to give a ready selling price every day in the year for the products of the farmer and the poultry and produce man.

In Texas the Turkey has become famous through the establishment of packing plants within the borders of the state used exclusively for killing and packing his meat. Annually millions of dollars are paid into the pockets of the farmers for their turkeys. The Central Produce Company has not only made possible a great turkey market in Cameron but has also brought facilities to the city for handling all kinds of produce insuring a ready market each day in the year. This market will be stimulated with facilities to handle in car shipments and larger quantities if necessary.

During the current season for turkey marketing it is estimated that \$50,000 or more will be paid to the farmers for turkeys and other poultry and produce.

This will give Cameron a great trade stimulus, insuring ready money to the farmers during times when the agricultural crops are being made.

The capacity of the Central Produce Company is about 1500 turkeys a day slaughtered and packed. As the business expands these facilities will be added to with the view of developing one of the greatest produce centers in the state. Storage facilities have been secured from the Cameron Water, Power and Light Company. The plant is located near the Santa Fe switches at the power plant thus insuring easily accessible shipping facilities. The big feature will be a ready market as good as can be had in any city in Texas.

The headquarters of the company is located at Giddings where a large packing and shipping business is located. Locally the Central Produce Co. will not only buy from farmers but will buy in quantity shipments produce accumulated by merchants both in the city and towns tributary to this city. This produce in turn is shipped to northern markets. A wide range of prominence will be given to Cameron as a produce center.

The Cameron plant is under the management of M. N. Peters of Giddings. Mr. Peter will stay in Cameron the year round to manage the business. His associates are, R. A. Falke, G. C. Simmons, Robert J. Peter and Jake Alexander.

Mr. Peter is a young man who has early mastered the business of marketing and with this knowledge of the business will give successful administration to the industry here.

Producers of turkeys and produce should bring their products to Cameron now that they are to be served in this large and definite way. This great industry now being developed in its maintenance will be directly

beneficial to the farmers and in turn will give stimulus to business because of the money paid out at all times of the year.

Commercial expansion is here and the Central Produce Company is contributing its full measure of help to a greater era of business in Cameron and Milam county.

BROWNING-CASHION

On last Saturday afternoon at the beautiful rural home of the bride at Tyler, Miss Mary Cashion and Mr. Robert Browning were quietly married by Dr. Campbell of the First Baptist church in Tyler.

Miss Cashion is the daughter of Mr. and Mrs. J. M. Cashion of Tyler, old time residents of Smith county.

Mr. Browning is a resident of Cameron and now with the Cameron Herald. He was reared in Smith county. Mr. Browning has been in the news, paper business for several years. He is an ex-service man, having gone over with the famous 90th Division serving in the great battles that led to the termination of the world war. He was wounded in action and his service as a soldier was such as distinguished the American man of arms in the war.

Following the ceremony Saturday Mr. and Mrs. Browning received their friends at the home of the bride. After a two-day stay in Tyler they went to Waco and there attended the Cotton Palace, Wednesday Mr. and Mrs. Browning returned to Cameron and will make their home here in the near future.

Mr. Browning will continue his duties with The Herald with all its good wishes for happiness. They will reside in the home of Mrs. Tuttle in North Cameron where they will be at home to friends.

HOLTZCLAW CORRALES BAD MAN WHO COURTED TROUBLE

The spirit of bravado sometimes leads men to do rash things and even to overstep their nerve no matter how well fortified they may be from the standpoint of hip pocket artillery. Sometimes it leads to bruised heads and sometimes to something worse. And then, it may lead to a sobering up process through which a man may become reconciled to civilized pursuits.

In any event, it is hoped that the latter lot may fall to one "bad man" who attempted to terrorize Sap Town Tuesday night. Cameron has a city marshal named Holtzclaw who by long years of practice has been able to prescribe in such cases admirably, though at times the operation may of necessity have to be rough, "still and all" as Ring Lardner says, "results is what you want."

He sleeps sweetly behind the lattice in the county jail. His head is bruised but sober thoughts and reflections aided by peaceful surroundings will bring him back to normal.

BUICK AGENCY IS TAKEN OVER BY CAMERON MEN

A. E. SCHILLER AND W. L. SHIRES TO OPERATE AUTO ESTABLISHMENT HERE.

The Buick automobile agency and all rights to the sale of this car have been purchased by A. E. Schiller and W. L. Shires, young Cameron business men.

The agency and business of the Buick in Cameron was purchased from J. W. Sanders who has operated sales rooms here for the past year or more. Mr. Sanders has the Buick and Dodge agencies for Robertson county and will return to his old home in Hearne about January 1 to take up the business there. Mr. Sanders has operated both agencies from his Cameron office, later having acquired the Dodge Brothers contract here. He also has the Dodge contract in Robertson county.

Announcement of the purchase is made this week by Mr. Schiller and Mr. Shires. The business will continue to operate in the same quarters occupied by Mr. Sanders.

A repair department will be maintained and all makes of cars repaired. This repair service will be enlarged and maintained in a first class manner.

Mr. Schiller is well known in Milam county, having been with the Henne & Meyer Company for the past eight years. He is a young man and will succeed with the Buick agency here. Mr. Shires has been with the Daugherty Motor Company repair department and in the new business will have charge of the repair department.

The selling end of the business will be in charge of Mr. Schiller, who will devote his time to the distribution of Buick cars. The Buick agency is for the entire county.

The many friends of the business venture and bespeak for them success.

HARDING TALKS TO HEARNE CITIZENS

PRESIDENT-ELECT ON WAY TO POINT ISABEL TELLS FOLKS HE LIKES TEXAS.

Warren G. Harding, president-elect of the United States, on his way to Point Isabel, Texas, delivered an address from the rear platform of his special train in Hearne Sunday.

Jim Neinst, Cameron business man, went to Hearne to greet the new president of America with hundreds of other citizens of our sister city. Mr.

Neinst declares the new president "a regular fellow" and thinks Mr. Harding eminently right when he said Texas was the greatest state in the Union.

Harding declared in his speech that party lines will be set aside when the new administration comes to take up the reins of the government. He said that Texas will get the same consideration as any other state and that he will be the servant of all in the White House.

President Harding declared for woman's suffrage and said he was glad that the women are permitted to participate in the government of the United States. A large crowd of negro republicans were in Hearne to greet the president-elect.

Mr. Harding and party passed thru Rockdale Sunday, and the Senator spoke to the people there.

HARDING ADDRESSES ROCKDALE CITIZENS

WAR VETERANS ARE CELEBRATING TODAY

Celebration of Armistice day began at 10:30 o'clock this morning. Large crowd witnessed the morning program on the court house lawn with its solemn patriotic features. The crowds cheered when Little Miss Ruth Kemp raised the flag.

There was a minute of solemn prayer for "our country" following the invocation by Rev. Ira F. Key and the singing of "America" by the school children.

The service men went to the park at 11 o'clock with the crash of bands and the old time march. Lunch was served at noon.

Cameron welcomes the ex-service men of Milam county today in their celebration of the signing of the Armistice November 11, 1918.

Soldiers of the world war, Confederate veterans and other war veterans began arriving in the city this morning to spend the day under the auspices of the city's hospitality and to receive tribute from the citizens in commemoration of their splendid service in the late war.

It is a day of fraternal feeling and fraternal greeting between those who few months ago were comrades in battle writing a glorious page in the history of the military forces of America. A patriotic program is being carried out and a big picnic spread in the park will top the activity for the men.

Dr. James Watson, supervising chairman of the committees from the Commercial Club, in association with others has arranged a good program for the ex-service men. Speeches will be delivered and a music program by the Cameron band will be rendered. Chief among the pleasures of the day will be the association of the men who fought for world freedom in Europe. They will recall the dark days of pain and sacrifice and will renew acquaintances and form a better relationship for the future.

Preparations for the celebration were begun two weeks ago with the appointment of committees from the commercial club. Cameron will make the celebration today an annual affair and will invite the ex-soldiers here to spend a day of pleasant association.

Lieut. Jim Baskin has been active in assisting Dr. Watson to arrange the program and has invited every ex-service man in the county. He has personally superintended the mailing out of the invitations and the distribution of advertising matter.

Early Wednesday steps were taken to have the entire business district closed in honor of the service men who are celebrating. As near as was practical the entire town will be closed.

BOHEMIANS HOLD MEETING IN WACO

F. S. LESOVSKY AMONG PROMINENT MEN OF STATE TO GO OVER NEW PROGRAM.

Representative Bohemian citizens of Texas met in Waco this week in conference to work out plans for beneficial work through the Bohemian Lodge in Texas.

F. S. Lesovsky of Cameron was among the prominent Bohemian citizens to attend this meeting. A banquet was held at the Raleigh Hotel in Waco at which time important matters were discussed. Thomas Blanka of Buckholts accompanied Mr. Lesovsky to Waco.

The executive committee of the Bohemian Lodge took under advisement plans to erect an orphanage in Texas. Mr. Lesovsky took part in the conference of the committee when the matter was under discussion. He reports a royal good time and much enthusiasm among the Bohemian citizens for the work now under plan.

FIRE BURNS BARN AND FEED VALUED \$3750 THURSDAY

C. J. McLERRAN FARM NEAR JONES PRAIRIE SCENE OF DISASTROUS BLAZE.

Fire of an unknown origin early last Thursday morning completely destroyed the barn and all feed stuff belonging to C. J. McLerran at Jones Prairie.

The flame was discovered at 5:30 and Mr. McLerran with others made a heroic effort to save the big barn. The damage is estimated at \$3750. There were approximately seven hundred bushels of corn and five hundred bales of hay in the barn at the time of the fire. The loss is total, as no insurance was carried on the barn.

M. McLerran thought at once to call out the Cameron fire department but immediately was enveloped in an effort to save the barn and was unable to summon assistance, only those about the place and farm hands assisted in fighting the blaze.

This is the first disastrous barn fire to occur in recent weeks in the county.

ed today all day to honor the men.

Robert McLane in association with others petitioned the business men to close in observance of the holiday added to the calendar in 1918 when American arms achieved victory on foreign fields.

It will be a glorious day for the men who came back and after victory are now in civil pursuits.

Memories of the clash of swords and the roar of guns; memories of the trenches, with their nights of horror and their days of waiting; memories of creeping through no man's land with its ghastly, silent dead, its dank and nauseous stench, and the clammy touch of your hands upon the upturned faces of comrades who had gone west; memories of voyages through death strewn seas; memories of the overpowering clouds of deadly gases, of the whirling of planes through the chilling hours of night; of the shriek of dying men and the cheers of others as they pressed on through the ranks of dead and dying to the bright and glorious hour of that November day in 1918 when the enemy, crushed and battered by the onslaught of America's bravest and best, bowed in defeat and the flag of autocracy was furlled and the Stars and Stripes floated in triumph above the ramparts of the kaiser; memories such as these, and countless scores of others, some gay, some sad and others thrilling, will be recalled.

The committees in charge of the celebration are:

The committees are: Dr. James Watson, chairman; Jim Baskin, T. S. Henderson, Jr., B. P. Atkinson, Dr. Tom Denson, W. G. Gillis, W. F. Sharpe, Oxsheer Smith, J. C. Tucker, E. A. Wallace; Womens Committee selected by Mrs. Sue Baskin; Mrs. Roy Jeter, Mrs. Pearl Clement, Mrs. T. S. Henderson, Sr., Mrs. Lula Gillis, Mrs. W. O. Triggs, Mrs. Robert McLane, Mrs. Lena Baskin, Mrs. U. S. Hearrell, Mrs. Sue Baskin, Miss Winnie Henderson, Miss Aetna Smith.

General chairman Dr. James Watson has announced the following committees and the chairman:

CAMERON TO GET BERTH IN CLASS D BALL LEAGUE

CENTRAL TEXAS ORGANIZATION BEINGS PONSORED—A. L. POPE TO WACO CONFERENCE.

The Waco Times-Herald of Tuesday and the Associated Press on Wednesday morning carried a story of the proposed formation of a Class D league to be called "Central Texas League," to include the following named cities and towns: Cameron, Waco, Temple, Austin, Brenham, Navasota and Marlin.

On Tuesday A. L. Pope of this city went to Waco to confer with Ben Shelton of that city relative to the proposed league, and to see others interested in the proposition. Mr. Shelton was formerly owner of the Waco franchise and manager of that team, and has been intimately interested in baseball for many years. The proposed league met with every encouragement in Waco and both the papers carried stories as also did the Associated Press on Wednesday morning.

While Mr. Shelton can not be induced to take the league in hand, he said he would do everything possible to put the league on its feet and proposed Doak Roberts, president of the Texas league, could also be induced to accept the presidency of the proposed league, thus placing the destinies of the new league in well experienced hands. It is expected that Mr. Pope will see Mr. Roberts in the near future and talk this and other matters over. In the meantime the other towns who are to be incorporated in the league will be lined up and a meeting of the league will probably be called at Cameron and have Mr. Roberts with the others formulate plans for its formation.

Further details will be available next week and other towns will have been heard from thus enabling us to give more definite news. All the local fans are very enthusiastic over the prospects and it seems an absolute certainty that we will have this for a form of amusement and an advertisement for our town in 1921.

RALLY DAY SUNDAY METHODIST CHURCH IS BIG SUCCESS

LAST SERVICE HELD IN OLD CHURCH. SERVICES SUNDAY. AMERICAN LEGION HALL

The Rally Day program at the Methodist church last Sunday was a grand success according to those who were in attendance. A friendly contest between the men and boys on one side and the women and girls on the other had been instituted for attendance and resulted in a victory for the women as follows: 147 women and 125 men. After the regular Sunday school was over a program was rendered which lasted through the regular preaching hour. The men, as a result of their loss will entertain the women on next Friday night at 7:30 at the Methodist Hall just over the Buick service station. The men are to furnish all the program and the refreshments and serve them. Some of the numbers on the program are:

Recitation, Mary Had a Little Lamb, Jeff Kemp.

Declamation, Success, W. H. Triggs.

The Original Tongue, one of the boys.

Speech, Why Women Are Not as Smart as Men (?), Roy Baskin.

Solo, There's a Hole in the Bottom of the Sea, P. O. Adams.

Then there will be a number of selections of a more serious nature as follows:

Solo, "Mother Machree," Mr. Mac Harvey.

Violin Solo, Mr. Medsker.

Piano Solo, Mr. Robert Smith.

Selecions, Orchestra.

The refreshments for this occasion will not be announced until the time comes as it is desired that this will be a profound secret.

Services Sunday and Sunday night will be held at the usual hour. Sunday school at 9:30. All services will be at American Legion Hall.

Mr. and Mrs. Frank Reichert of Sharp were in Cameron on Tuesday, en route to Waco to the Cotton Palace.

Mr. and Mrs. Walter Stitt, of Taylor, spent Sunday in Cameron with Mrs. Stitt's parents, Mr. and Mrs. T. N. Lindsay.

President Elect and Party Pass Through Milam County on Way to Coast--Party Lines Vanish With New Administration Says President.

(By John E. Cook)

Rockdale was honored Sunday evening by a short speech and words of greeting and appreciation from Senator Warren G. Harding, of Ohio, President-Elect of the United States.

President-Elect Harding's special train, passing through on the I. & G.N. at 6:20 p.m., stopped long enough for the distinguished visitor to appear on the rear platform and make a three-minute speech to the assembled crowd.

Mrs. Harding, the Nation's coming "first lady" also appeared on the platform with her husband and graciously greeted the people. She seemed particularly pleased with the college yells given for her husband by the Rockdale High School boys present, and when she thanked them for their courtesy they responded with another battery of "rahs" for Mrs. Harding herself, this drawing forth from her the remark, "Boys, that's mighty sweet of you."

There were perhaps more than a thousand people at the depot to greet the honored guests, and immediately the train had stopped Senator Harding appeared on the rear platform; but quick as he was his wife was ahead of him and was first introduced to the throng who responded with a cheer. Then the President-Elect himself appeared and as soon as he was recognized the cheer broke into a regular Texas yell.

Mr. Harding thanked the crowd for their presence and the honor they were paying him, and stated that it was an inspiration to come to so glorious a state and receive so glorious a welcome as had been given him all along the route. "The election is over," he said, "and now we are forgetful of party lines; we have won our fight for party policies and candidates, henceforth we are all Americans first and it will be a fight for American policies and a victory for American policies and American people. We are all citizens of the same republic, interested alike in the common welfare of the American people and it will be my aim to always strive to further the interests of the American people as a whole." The President-Elect spoke along this line of thought for perhaps three minutes, and then at a nod of his head an attendant pulled the air signal and the train moved on. This latter incident showed conclusively that the stops of the train were honorary on his part, and that he was showing his appreciation of the welcome given him by Texas people by disregarding his first intention of making no speeches and seeing no delegations while en route.

Just as the train started up the President-Elect was presented with a huge bouquet of flowers by Little Miss Carrie Loewenstein, who received in return cordial words of thanks, Senator Harding called out, as the train drew away, an invitation to one and all to "come and see me in Washington and I'll try to give you as good a welcome as you have given me."

The crowd greeting the honored guests was the largest ever assembled in Rockdale on such short notice. There were several hundred automobiles at the depot, and at least a thousand people. Knowing the time would be short the crowds forsook the cars and thronged the tracks and rightofway surrounding the rear of the train. It was a larger crowd than assembled last year to greet and hear Vice President Marshall when he spoke here during the Liberty Bond campaign. And from all reports the same kind of crowds greeted the special train at its stops from Texarkana to San Antonio. It was a genuine Texas welcome.

The party was en route to Point Isabel, in Cameron county, away down at the tip end of the state, where they will be guests of friends for a two-weeks' rest and recuperation from the recent arduous duties of the strenuous campaign.

BUILDING LOAN ASSOCIATION TO BE ORGANIZED

A building and loan association to relieve the housing need in Cameron is being sponsored by local progressive citizens.

T. S. Henderson, Jr., chairman of the special committee appointed by the Commercial Club to go into the matter of a building and loan association has written a report expressing the sentiment of the committee and has been retained by the Club as chairman of the committee to put the association into operation.

Mr. Henderson and his committee are now acting with the endorsement of the club will sponsor the association as an investment proposition for those who wish to enter it. With its organization the housing need in Cameron will be solved as a plan has been worked out to enable men of small financial means to build.

Mr. Henderson, discussing his report to the club has determined upon a plan to begin immediately to canvass for investors in the building and loan association. The proposition as Mr. Henderson presents it, is a first rate investment. His keen insight into business affairs fits him for the leader in this worthy and much needed movement.

The following is the full text of the report made by Mr. Henderson as chairman of the committee:

"To The Directors of The Cameron Commercial Club:

"We, your committee on housing, make the following report:

"We recommend the formation of a Building and Loan Association for the purpose of financing the building of more homes in Cameron. In our judgment this association should have a capital stock of \$100,000 divided in

shares of \$100 each, and no member should be admitted for a subscription of less than ten shares. The monthly dues should be \$1.00 per share, payable in advance. If the directors deem it advisable, the stock should be divided into two series, one short time series, to be fully paid up within one year, in a sum not exceeding \$15,000; and one long time series, to be paid up in 100 monthly installments. This arrangement would insure the formation of a fund of from \$10,000 to \$25,000 within the next year for the immediate building of houses. Loans should be made for the full amount allowed by law, two-thirds of the appraised value of the security, plus 90 per cent of the withdrawal value of the borrower's shares in the association.

"It is our belief that arrangements can be made to have the daily balances of such an association draw a small rate of interest from one of the local banks, in view of the fact that there should be a standing balance of some five thousand dollars, and a monthly income of some \$1000.

"A meeting should be called and well advertised for an early date, to which all persons interested in the housing problem should be invited, particularly all persons who are now known to want houses, either to rent or to buy. At this meeting the proposition should be thoroughly explained, the association formed and subscriptions taken and officers elected. A set of committees should be then appointed to visit every person in Cameron seeking stock subscriptions. It is the belief that this association could be formed with its entire capital stock subscribed.

Respectfully submitted
T. S. Henderson, Jr. Chmn.

M. C. Jackson will preach at the Christian church Sunday and Sunday

and Sunday night. A hearty welcome is extended the public to be with us

and the membership is expected to be present.

COX SAYS FLAG OF DEMOCRACY WILL NOT BE LOWERED

OHIO GOVERNOR AS PROUD AND
DEFIANT NOW AS WHEN
FIGHT STARTED.

Columbus, Ohio, Nov. 5.—Governor James M. Cox, democratic candidate for the presidency, in his first statement since the election, tonight said that in spirit he was "as proud as when the fight started," and that he "would not retrace a step nor yield a single jot in principle."

Governor Cox's statement follows: "For the first time in ten years the republican party is in complete control of the legislative and executive branches of the national government. Therefore, policy as to statute and administration is with it. Its task is no longer that of the critic but the constructor. It is my hope and firm

belief that the democracy of the nation will not attempt political sabotage. The country has seen enough of that.

"We are in the midst of an emergency and the nation's every resource should coordinate in behalf of the things that are helpful. So long as government exists, the principles of Thomas Jefferson will be the center about which human hopes will gather and talk of a new party is absurd. One might as well discuss the destruction of human emotions.

"As essential as it has been to the welfare of the country in the past the creed of democracy is more needed now than ever because recent happenings have made it distinctly the American party.

"In spirit I am as proud as when the fight started. I would not retrace a step nor yield a single jot in principle. It was my privilege to make a contest in the face of overwhelming odds. There is a distinct difference between defeat and surrender. The flag of democracy still flies as the symbol of things more enduring than the passions and resentment that come with the aftermath of war."

TEACHER KILLED IN AUTO ACCIDENT

MISS LILLY ROSE COUCH OF
MINERAL WELLS VICTIM
OF CRASH.

Mineral Wells, Texas, Nov. 5.—Miss Lilly Rose Couch, a teacher in the public schools of Mineral Wells was killed and Cleve Hansen was seriously injured in an automobile accident on the road from Weatherford to this city.

The accident is believed to have happened about 10 o'clock last night. The wrecked car, under which was the body of Miss Couch, was found at 6 o'clock this morning by autoists passing the scene. Mr. Hansen was pinned under the wreckage and evidence indicated he had been there for several hours. He was badly bruised about the body and also burned.

Miss Couch came here from Magnolia, Arkansas, to which place her body was sent this afternoon.

Weatherford, Texas, Nov. 5.—Last night at the City Hall the public schools of Weatherford gave a play for the benefit of the schools; Miss Rosa Couch, one of the teachers of the Mineral Wells High School, took part in this play. She and G. G. Hen-

son of Mineral Wells started home after the play in an automobile. When they had reached a short distance from Weatherford they ran off a culvert and the car turned over. Miss Couch was instantly killed and Mr. Henson pinned under the car, where he remained until about 5:30 a. m., when he was found and brought to Weatherford to the sanitarium. His wounds are not considered serious. Miss Couch's home is in Arkansas.

HARDINGS'S ONLY SPEECH IN TEXAS TO BE AT BROWNSVILLE

Brownsville, Texas, Nov. 5.—Senator Warren G. Harding, president-elect, probably will make but one address during his vacation in this section, it was announced today by R. B. Creager, who will be one of his hosts. The proposed address would be at an Armistice Day celebration here Nov. 11, Mr. Creager said.

Senator Harding and his party are expected to arrive here Monday noon by special train from San Antonio, which city he will leave Sunday night. Immediately on his arrival here automobiles will whisk him away to Point Isabel, where preparations for his visit are in full swing.

LIFT OFF CORNS!

Apply few drops then lift sore,
touchy corns off with
fingers

Doesn't hurt a bit! Drop a little Freezone on an aching corn, instantly that corn stops hurting, then you lift it right out. Yes, magic!

A tiny bottle of Freezone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation.

Freezone is the sensational discovery of a Cincinnati genius. It is wonderful.

It is a powerful and scientific combination of sulphur and other healing agents for the relief and cure of diseases of the skin. It is especially effective in the ITCHING VARIETIES; giving instant relief from the itching and smarting sensations and by its germ-destroying properties it exterminates the microbe which is the cause of the eruption, thus curing the disease completely.

Littell's Liquid Sulphur Compound is used in all cases of Eczema, Tetter, Barber's Itch, Psoriasis, Herpes, Rash, Oak and Ivy Poisoning, also for relieving the annoyance caused by chiggers and mosquito bites.

In the treatment of ECZEMA—the most painful and obstinate of all skin diseases—it is one of the most successful remedies known.

HISTORY CLUB

Mrs. J. C. Tucker was hostess to this circle of ladies who meet from time to time to study ancient history. The subject nearest to hand for the week was "The Election," and its results, etc. Under the efficient leadership of Miss Winnie Henderson, the following instructive program was enjoyed:

Opinion of Foreign Element on Our Election, Mrs. W. G. Gillis.

Solid South, Mrs. Lloyd Mitchell.

Middle West, Miss Winnie Henderson.

Electoral College, Mrs. W. C. Robinson.

Messrs W. O. Triggs and Ben Atkinson joined the ladies at this point for a discussion of Red Cross work. Altogether the afternoon was one of profit and great pleasure.

"600" PARTY.

Mrs. Charles Pollard entertained Tuesday of last week in honor of, and to welcome to Cameron one of her old school mates, Mrs. Joe Smith, who has just moved here, her husband being the agent at the Sap.

The home was beautifully decorated in yellow chrysanthemums and ferns.

Three tables were arranged for this new game, but all proved themselves quick to catch on and soon were having a merry time.

At the close Miss Clara Thomas was declared winner and was given a bouquet of yellow chrysanthemums and the honor guest was also given a like bouquet.

Mrs. John Camner assisted the hostess in serving a delicious two-course luncheon consisting of chicken salad, cheese balls, ripe olives, sandwiches, hot tea, and apricot ice and caramel cake. Those partaking of Mrs. Pollard's hospitality were, Messrs Joe Smith, Mac Harvey, Leo Wilkerson, John Cramer, S. A. Cottle, George Thomas, Walter Thomas, T. L. Henderson, Jr., Misses Winnie Henderson, Clara Thomas and Mary Lake Henderson.

WITH MRS. J. L. CLINTON.

On last Wednesday afternoon this home was a scene of beauty and fragrance: the parlor with a profusion of white and pink roses, tube-roses and white chrysanthemums, while the reception room held the main color scheme, yellow chrysanthemums and ferns.

The tally pads were covered with green ribbon, had green pencils and were marked in gold. Score cards were landscapes, bright in yellow and green. Mrs. Clinton was assisted in receiving and welcoming her guests by her mother, Mrs. Carothers, and little daughter, Mildred. "42" was the diversion of the afternoon and seven tables were soon busy with this popular Texas game. "84" favors were announced and Miss Beth Jeter was the first to win, but Mrs. U. S. Hearrell was declared victor at the close. These favors were little green frogs, brown turtles, dressed up kewpies, and pop guns.

Mesdames Frank Lesovsky, Bill Alex Bonds, Alex Triggs and George Thomas tied for high score, and in the cut the bride drew high, and was given a set of dominoes. Assisted by Mesdames Carothers, S. A. Cottle, and Miss Jeff Lewis, Mrs. Clinton served a delicious salad and ice course consisting of tuna salad, peach salad, olives, sandwiches and pineapple pie.

"42" CLUB.

Mrs. J. C. Tucker was hostess to the "42" Club last Thursday afternoon.

The reception suite throughout was decorated with marigold and lovely ferns.

The members arrived a little early for a short business session, but soon the guests began to assemble and six tables were soon busily engaged. Score cards were darling little kewpies playing golf. "84" favors were beautifully dressed up kewpies and bisque dolls.

Mrs. Dan Tyson was bravest bidder and equally a cheerful loser, and was commended for her nerve. High

score was made by Mrs. Albert Triggs of the Club members, and was given a large dressed up kewpie in a stand.

Mesdames L. A. Cottle, Giles Avriett, and Walter Thomas cut for the guest prize, and it fell to the bride, Mrs. Walter Thomas. Mrs. Tucker was assisted throughout the afternoon by her aunt, Mrs. Mattie Batte, Alex Triggs, of Rosebud, and Miss Mary Lake Henderson.

A delicious salad course was served consisting of tuna salad, sandwiches, pickles and ice tea.

Guests other than Club members were Mesdames George and Walter Thomas, S. A. Cottle, J. L. Clinton, R. D. Brown, Giles Avriett, Dan Tyson, Roy Baskin, and Alex Triggs.

SYMPHONY CLUB.

At the school auditorium, on Saturday the 30th, this delightful music club met, with Miss Jewel Joslin as leader and the subject was "Indian Music."

The first number on the program was a talk on "The Beauties of Indian Music," by Miss Mary Lake Henderson, followed by the following musical numbers:

Indian Love Song, Mrs. Ira Key.

Canoe Song, Mrs. J. L. Clinton.

Indian Lament, Mr. Paul Medsker.

"Far Off I Hear a Lover's Flute," Miss Clara Curtis.

Piano duet, Sioux Scalp Dance, Mrs. Roy Jeter and Mr. Robert Smith.

The next meeting will be the second Saturday of this month.

RALLY DAY EXERCISES

At the Methodist church last Sunday morning marked a day of triumph for members of that great body of workers. Two hundred and sixty-eight were present at Sunday school. After the lesson the primary department gave a short program, and Margaret Key gave a reading, Miss Louise Adams sang a beautiful solo. Mrs. R. H. Johnson, president of their large bible class read an excellent paper on why the ladies should attend Sunday school, and Mr. W. H. Triggs followed it with a talk on why it was generally necessary for the men to attend. Rev. Ira Key then presented a basket of beautiful roses to Mrs. R. H. Johnson, and made a feeling presentation speech for her faithful, efficient and encouraging

work for several years past.

Mrs. Johnson said if there had been enough to go around she would give a rose to each member of her class.

In the contest for members the ladies won. And then as it was the last worship to be held in the old church the holy communion was administered and it was with glad yet sad hearts that the service closed—glad because of the fine new edifice so soon to be erected, and sad to see the building where so many joys have been enacted, torn down.

BIRTHDAY PARTY

Little Miss Lerline Hubert was eleven years old last Friday and invited sixteen friends in to help her celebrate. The home was beautifully decorated with chrysanthemums and the dining table had as its centerpiece a large white birthday cake with eleven colored candles.

A number of games were played indoors and out: a spelling contest in which Hilda Burk was winner, and received a box of pop-corn. And then "the donkey" brayed and out came the children to pin his tail on. Eunice Tyson was most successful and was given a bottle of toilet water. Harriette Flynn won the booby prize, a stick of candy. Next Mrs. Hubert was assisted by Mrs. Frank Redfield in circling the children around the table, where they were served with banana cream and cake. Favors were little baskets of candy. In cutting the birthday cake the ring fell to Lucille Klawansky, nickle to Vance Collier, thimble to Gussie Hubert, button to Frank Hubert.

Lerline was the recipient of a number of presents, some of which were a old ring, handkerchiefs, stationery, etc.

Mr. and Mrs. John Charles, with their sons and Miss Emma Schultz attended church here Sunday from Tracy.

FRIDAY AND SATURDAY, Nov. 12 and 13, "Every Woman."

MONDAY—Nov. 15, "His Official Furnace."

TUESDAY—Nov. 16, "Her Beloved Villain."

WEDNESDAY—Nov. 17, "Crooked Straight."

BAPTIST AUXILIARY

All these ladies meet the second Monday and study together a mission study course.

Circle No. 1 met with Mrs. Brewer with Mrs. F. J. Beckerman as leader, and a profitable lesson enjoyed. There were eight in attendance.

Circle No. 2 met with Mrs. E. Casey with Mrs. G. H. McGehee as leader, and there were eleven present.

Circle No. 4 met with Mrs. J. B. White with Mrs. White as leader. There were fourteen present and a pleasant and instructive lesson was conducted, after which a pleasant social hour was spent.

METHODIST MISSIONARY.

The ladies of the Methodist Missionary Society met with Mrs. B. J. Baskin last Monday afternoon. All present took part in a splendid missionary program under the leadership of Mrs. J. W. Sanders. After which a social hour was spent while cream and wafers were enjoyed.

PRESBYTERIAN AUXILIARY

It was Foreign Mission Day with the Presbyterian ladies and they met at the church with about fifteen in attendance. Mrs. Jim Watson held the devotional services. This was followed by a program on Brazil.

Mrs. W. G. Gillis was leader and splendid papers were read by Mesdames Robert McLane, E. N. Shaw and Dan Tyson.

COTTON PALACE AND GRAND OPERA VISITORS FROM HERE

Scores of Cameron people, neighboring towns and from our county went up to Waco last week to attend the Cotton Palace and especially to hear grand opera. Our NEW SHOW Opens.

With the Greatest Shows on the Screen

MONDAY, NOVEMBER 15th WE OPEN THE CAMERON MOVIE PALACE. With the greatest thrilling story ever written, staged by America's Greatest Personalities, William Faversham in "The Man Who Lost Himself." It's a scream! See it.

WEDNESDAY AND THURSDAY, we have a film version of Alexandre Bisson's Famous Play. The leading character has one of the most emotional roles ever given to an actress. Full of emotion, excitement, all through the story.

FRIDAY AND SATURDAY Comes the Greatest Thrills of Life, an Allen Dwan production in "The Heart of a Fool." Full of red blood action.

These pictures are staged by our greatest movie actors. Every one is a thriller. These pictures will make you sit on the edge of your seat and bite your finger nails. See every one of them. There is no better pictures.

MONDAY AND TUESDAY Nov. 15 and 16
— William Faversham in —
"THE MAN WHO LOST HIMSELF"

America's reatest stage personality, in his first Super-Photoplay — A startling new story of two men who so closely resembled one another that the wife could not tell them apart.

A Tale of Tangled Identities

HOW WOULD YOU FEEL if you woke

up one morning to find that overnight you had become someone else? If you insisted you were yourself but couldn't get anyone to believe it? If you insisted so much that year brand new relatives concluded you "off" and had you placed in a sanitarium for the rest cure? This is but one of the many comedy situations in the new Selznick Picture, "The Man Who Lost Himself" It's a Great Picture, full of fun and drama — See it.

WEDNESDAY and THURSDAY, November 17 and 18
— Pauline Frederick in —
"MADAME X"

A film version of Alexandre Bisson's famous play, one of the most powerful pictures ever shown on the screen.

Pauline Frederick, Goldwyn star, as "Madame X" has one of the greatest emotional roles ever given to an actress. Miss Frederick is presenting a new and wonderful interpretation of this character around whose stormy and sad life the action of the play moves. She is supported by one of the strongest companies ever assigned to a motion picture production. Miss Frederick has the role of Jacqueline Floriot, who is tried for murder as "Madame X", under which name she is registered at the prison because she refused to reveal her identity. This is one you can't afford to miss. Be here without fail. The world's greatest picture.

FRIDAY and SATURDAY, Nov. 19 and 20
— An Allen Dwan Production —
"IN THE HEART OF A FOOL"

THE BIGGEST THRILL IN LIFE, Allen Dwan's newest production "In The Heart of a Fool" is a powerful epic of life. Its story by William White, the noted American novelist and political authority is brimful of red blood and action. It is a truthful chronicle of what might easily happen in any community—in your life or mine. Every city or neighborhood has its own Lorelei—as the one in this photoplay. Full of big scenes and realism. The mine explosion and invasion of the hired mob from the big city are genuine thrillers. Do not forget that there is plenty of big thrill stuff in it. There is a real burning mine. It makes you look for the fire escape and mob scene that puts you up on your toes. It is a mighty reflection in life's mirror, and they all want it.

SEE THIS PICTURE—Full of tragedies, but not a melodrama.

MUSKOGEE WOMAN GOES TO CONGRESS

SHE USED CLASSIFIED AD COLUMNS AS ONE WAY TO WIN VOTES.

Muskogee, Okla., Nov. 4.—After a campaign which she described as a series of social visits, Miss Alice Robertson, 65, former postmaster here, born in Indian Territory war worker, cafeteria proprietor, and friend to everyone, has been elected to Congress in a rock-ribbed Democratic district. Overcoming a normal Democratic margin of 5,000 she defeated Congressman Hastings by 275 in his fourth race. Ascribing her success to Democrats fully as much as to Republicans, she declared she will go to Washington to be 100 per cent American. Formerly an anti-suffragist, this woman is the second woman to become a congressman.

"America is not a hermit nation," she says. "We must enter the league of nations, but not Wilson's and I don't favor a league that includes nations whose people worship idols."

A man will probably go to Washington as her secretary. She has befriended hundreds of men as well as women. During the war she was head of the canteen service here and fed hundreds of khaki-clad men in uniform passing through to and from Texas. No man in uniform was allowed to pay for a meal in her cafeteria. She has proved her business ability as postmaster under Roosevelt, and as head of several Indian schools.

Her campaign consisted of personal reminiscences in the classified column of newspapers and a few visits among old Indians and pioneer friends over the district.

BRYAN SUGGESTS WILSON RESIGN OFFICE AT ONCE

Chicago, Nov. 4.—William Jennings Bryan in Chicago Thursday gave out a statement suggesting that "President Wilson should resign at once."

"Now that the American people have decisively declared against the league of nations as written by the president," said Mr. Bryan, "it would seem desirable to carry out the verdict immediately. This can be easily done."

"The president should resign at once and turn his office over to Mr. Marshall, on the condition that on the convening of congress in December, Mr. Marshall appoints Senator Harding secretary of state and himself resigns."

"The law they would make Mr. Harding president, and with the republican support in congress he could at once put into operation the plan for the United States to enter into an association of nations for peace."

"As world peace is a thing nearest the president's heart, he can hardly refuse to hasten the coming of peace by so small a sacrifice—if it could be called a sacrifice—to escape from a three-months combat with a hostile congress, supported as it is by the recent vote."

attorney and will be the first Republican to represent Texas in the National Congress since 1896. He comes of a pioneer family of the Southwest, his father having served in the Confederate Army in the Texas Belknap Rifles. During the recent campaign Judge Wurzbach refused to deal with negroes or members of the "black tan" Republican party in any manner.

Late yesterday Congressman Bee conceded his defeat. Only eight of the forty-nine voting boxes in San Antonio are yet to be heard from.

Returns from the eleven counties in this district last night indicated that Wurzbach's majority over Bee will be nearly 4,000. The majority last night, with a few scattering boxes to be heard from, give the Republican candidate a majority of 3,758 votes with ten boxes in Bexar county yet to be heard from and an equal number in Gaudalope county, home of Wurzbach.

SAGE TEA KEEPS YOUR HAIR DARK.

When Mixed With Sulphur It Brings Back Its Beautiful Lustre at Once.

Gray hair, however handsome denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides, no one can possibly tell, as it darkens so naturally

and evenly. You moisten a sponge or soft brush with it, drawing it thru the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

Tractor dealers in Cameron point out the need for "facing motor equipment on the farm as far as practicable in order to save enormous volumes of grain necessary for feed for stock which can go on the market as a cash crop to the farmer and at the same time reduce the shortage and advanced prices for food products made from grains.

No Worms in a Healthy Child

All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 60c per bottle.

RATING PROFIT HIGHER THAN HUMAN LIFE

If a substitute is offered you for an advertised medicine, you can bank on it that the vendor is doing it for a bigger profit and rates profit higher than human life. One bottle of Mendenhall's Number 40 For The Blood will go as far as six bottles of the ordinary blood medicine sold in drug stores. It is put up by J. C. Mendenhall, a druggist of Evansville, Ind., since 1873. The ingredients entering into Number 40 are set down in the U. S. Dispensatory and other authoritative books on medicine as follows: "In the treatment of diseases of the blood, an acknowledged remedy among all schools of physicians. Removes the cause of disease by stimulating the removal of waste products in the system, thus encouraging nutrition. Disorders of the nervous system demand this treatment, such as neuralgias, headaches, constipation, chronic rheumatism, and catarrh. Used with phenomenal success in eczema, sores, ulcers, boils and glandular swellings." Mrs. Fannie Thurman, 106 W. Ash St., Columbia, Mo., writes as follows: "I was run down with rheumatism, had nervous breakdown with stiffness and swelling of the joints so I could not move without great pain. I read an ad. for Number 40 and decided to try it. I was relieved with the first bottle and since taking the second the stiffness and pains have left me and I feel as supple as a child. I am sending you this letter as I think every sufferer should hear of the wonderful merits of Number 40."

E. A. FLINN AMONG COTTON GROWERS TO CONFER IN WACO

PLAN TO POOL LOW GRADE
COTTON FOR EXPORT TO EU-
ROPE WILL BE TALKED
AT MEET NOV. 16.

Corpus Christi, Texas, Nov. 10.—More than thirty signatures are attached to a call issued to the farmers of Texas to meet in Waco, November 16th, for the purpose of considering a state-wide pool of low grade cotton, to be shipped and sold to Europe.

Following is the call:
"To Cotton Growers And All Others
Holding Low Grade Cotton.

"We, the undersigned cotton growers of Texas, hereby call a mass meeting of all citizens of this state who are now holding low grade cotton, to meet in Waco, Texas, on Tuesday, November 16th, at 10 a. m., at the offices of the Chamber of Commerce for the purpose of considering the advisability and practicability of pooling all low grade cotton in this state for shipment and sale to European countries.

"In view of the fact that low grade cotton has been accumulating during and since the great war, it is absolutely necessary that some effective measures be adopted at once to dispose of this low grade cotton before next year's crop is put on the market. After a careful investigation and conferences with leading farmers and cotton growers of this state, it is deemed wise and proper that the best course is the one outlined above.

"An investigation shows that Germany alone today needs two million bales of cotton; Bohemia needs half a million bales, and other European countries need at least a million or more bales. These countries are idle today for lack of cotton.

"The time is too short to rely upon any export corporation yet to be organized to handle the enormous quantity of low grade cotton now on hand in this country.

"We urge the citizens of every county and community who are holding low grade cotton to attend this meeting or send representatives.

"If we can succeed in disposing of

this low grade cotton through a pooling system, next year's crop will bring cost of production plus a profit. But should we fail to accomplish this purpose, every bale carried over will be a liability against the next year's crop to hammer down the price.

This is your business and needs your attention now. We are counting on you to be present at this meeting and to do your part.

WILL TRY TO ORGANIZE A
LOCAL UNIT AT HANOVER

Mr. D. C. Dove and Mr. W. R. Sneed went over to Hanover last Friday to organize a local of the United Cotton Growers of America, but these seemed to be such a few who had heard about it that the matter was deferred until Friday night of this week November 5th, at which time Mr. Dove will again be there for the purpose of organizing. A dispatch from headquarters of the Association gives out the information that Commissioner of Agriculture Fred W. Davis has accepted a place as a member of the board of governors of the Association, which fact, Mr. Dove says, shows what our State Commissioner thinks about the Association. W. B. Yearly, cotton market specialist of the state department of agriculture, is another well known man who has recently accepted a place on this board of the Association. Fifty counties are now organized in Texas and hundreds of farmers are joining the Association every week. All \$10 fees that have been paid into the Association during the year will be extended over to cover the dues through all of next year, or until December 1st, 1921. Thus all members are paid a year ahead next December.

The next meeting of the Milano local of the United Cotton Growers Association will be held next Tuesday night, November 9th, at the W. O. W. hall. All members and interested people are invited to come out and attend the meeting. All cotton growers will hear must that is to their interest and success.—Milano Gazette.

MILANO NEWS By Chas. Howes.

Senator Harding's train is schedul-
ed to go through Milanon this after-
noon, but at this hour, 2:30, has not
passed.

Mrs. Russell is better, but Mr. Wal-
lace Reese is still in critical condi-
tion.

GAUSE REMAINS IN THE DEMOCRATIC COLUMN

A telephone report from the Gause voting box Thursday stated that Gause went Democratic 10 to 1 against the American party ticket. W. E. Peel for Justice and Fount White for Constable each received 150 votes as against 15 for J. W. Hairston and A. J. Gunnels, opponents. For Governor Pat Neff received 135 votes, McGregor 9, with a number cast for the other party candidates.—Milano Gazette.

Over Half of Your Membership Works at Home

See how large a percentage of your Red Cross membership dollar stays right here in your own community.

Fifty cents of every dollar received from annual membership dues is retained by your local Red Cross chapter—

- to fight disease and make your own community a healthier, safer place for you and your family
- to teach emergency aid in case of accidents
- to save the babies and guard the family health by teaching home hygiene, care of the sick, and home dietetics.
- to give immediate relief to victims of epidemics, explosions, floods, fires or similar calamities
- to aid in the care of crippled children, deserted mothers, financial stress, etc.

What Is Done With the Rest

The balance of all membership dues is forwarded to the Red Cross National headquarters at Washington. National funds are composed principally of voluntary contributions. These include amounts still on hand for uncompleted war projects. There is also included the amounts received from membership dues—these National funds are used partly for relief work in foreign lands, and partly for national relief work in the United States, including

- assistance to soldiers, sailors and marines in camps and hospitals
- assistance to families of service men
- assistance in sudden disasters
- public health and nursing service
- development of Red Cross service program in the United States.

The management cost at National Headquarters and the 14 Divisions is less than 4 per cent of the total expenditures. Join the Red Cross or renew your membership during the

TEMPLE HIGH DEFEATS CAMERON

LOCAL FOOTBALL ARTISTS PLAY
RINGS AROUND HUSKY
VISITORS.

Temple high school football eleven added another scalp to its belt on Woodson field yesterday afternoon, before a large crowd of interested spectators, overwhelming the Cameron high school eleven by a top-heavy score.

1st. quarter. Temple got away to a good start. Cameron kicked off 30 yards and Cox for Temple recovered 8. Hewett made 35 yards on a forward pass initiated by Heflin, scoring in touchdown. George kicked goal.

2nd quarter. The second session featureless, Cameron showing stronger mettle and effectiveness. Just prior to close of the quarter a Cameron end made a 25 yard dash, reaching within 3 yards of the goal line before being tackled effectively. Four futile attempts made to cross the line resulted, netting an advance of a single yard. The ball passed to Temple. The only opportunity offered Cameron to score during the game was lost in this quarter.

3rd quarter. Hewett made a second touchdown in this quarter on an 18 yard dash, on Smith's 18 yard forward pass. George failed to kick goal.

4th quarter. Fast work on the part of Temple resulted in three touchdowns in this quarter, heavy offensive work turning the trick. Grimes was credited with two of the touchdowns. No goal.

Temple 32, Cameron, 0.

Although Cameron put up a game fight, their defense was weak and on the offensive they proved incapable of shaking the local line. The game was practically free of squabbles and in all respects was a good clean exhibition of the sport.

MISSOURI TO HAVE NEGRO LEGISLATOR

FIRST OF RACE TO SIT AS MEMBER SINCE DAYS OF RECONSTRUCTION.

St. Louis, Mo., Nov. 5.—Waltham Moore, a negro waiter, and the first member of his race to be elected to the Missouri legislature since the reconstruction period, paid taxes under a different name on a "politician's lot" last September. Collector Edmund Koeln said today, and is qualified to a seat in the legislature.

It was announced this morning by Collector Koeln that the tax books affixed to show Moore paid taxes since 1915 and consequently could not take his seat because of a Missouri statute which says a man must have paid taxes within the year prior to his election before he can be seated as a state representative.

Further investigation by Collector Koeln, however, revealed that Moore purchased a lot with a four foot front from Robert Walker last September, and immediately paid \$4.75 back taxes on it for the last four years under Walker's name. Moore's

name was written on the reverse side of the bill, but was not entered in the collector's book, as the bill was made out in Walker's name Mr. Koeln amplified.

She Keeps Faith With You— Will You Keep Faith With Her?

Quietly, but effectively, the Greatest Mother in the World is toiling and drudging for you and yours.

She has not forgotten the crippled, blinded remnants of the war in Army and Navy hospitals. To the victims of disaster in war she still brings blessed relief.

She does more. She takes to her arms the victims of disaster in peace, the victims of floods, fires, tornadoes and other catastrophes. Over 30,000 such unfortunates were shielded and sheltered by her this year.

In preventing disease through education, in saving lives through careful nursing and by teaching first aid in accidents the Greatest Mother in the World—your RED CROSS—is keeping faith with you; keeping faith not only in your own country—aye, in your own vicinity—but also in devastated foreign lands.

Will you keep faith with her? The good she has done in the past has been possible entirely through the help of your membership. Will you continue to sustain her as she continues to sustain you? Then join the Red Cross or renew your membership. Send your application on the enrollment blank below to your nearest Red Cross Chapter.

POINT ISABEL HAS BRIGHT PROSPECTS

TOWN WHERE HARDING TO BE GUEST ASPIRES TO BECOME INTERNATIONAL PORT.

A quiet fishing village, located on a bluff overlooking the bay, springing into prominence overnight with the announcement that the President-elect of the United States has chosen it as the most desirable place in which to spend a two weeks vacation, is not the unimportant town which it seems, according to William T. Burnett of Dallas, former secretary of the board the southeast of Brownsville, where Point Isabel, twenty-five miles to the northeast of Brownsville, where Senator Harding is scheduled to rest from the labors of his recent campaign, has only 250 inhabitants now, but as a result of the activities of live-wire citizens of Brownsville and other Rio Grande valley points, a transformation of the fishing towns into one of the most important ports on the Atlantic coast is promised. So Mr. Burnett declared Thursday.

Only Seven Miles From River.

As a result of the campaign recently waged throughout the Valley in an effort to sell the \$191,000 quota of Rio Grande Railway Company bonds, which was required by the government before work should begin on the deepening of the Point Isabel harbor, Mr. Burnett said that it means that the little village will become nothing less than an international port. It lies only seven miles north of the mouth of the Rio Grande and is the only coast port in the intervening distance north of Tampico.

Announcement of the pledging by the citizens of more than the required railroad bond quota was made last Tuesday, Mr. Burnett said, after a drive by a committee throughout the entire district. This will mean the regauging of the railroad which runs between Point Isabel and Brownsville and insures the Government adequate railway connection at the port. The road is now a narrow gauge line.

Begin Dredging Soon.

With the meeting of the government's requirements, the dredging operations at the port will follow im-

mediately, Mr. Burnett said. When completed the project will make Point Isabel a land-locked, deep-water harbor. The ship channel will be eighteen feet deep and 400 feet wide, extending through Brazos de Santiago and connecting Laguna Madre with the Gulf of Mexico.

The improvement of the port was approved by Congress last year, after Mr. Burnett and two other Brownsville citizens had spent six weeks in Washington, in the interest of the measure. The initial cost of opening the pass is \$66,000 and \$25,000 a year for five years' maintenance. The inner channel is to cost \$125,000. The bill was introduced by Senator Morris Sheppard.

R. B. Creager, former collector of customs at Brownsville, has a summer home at Point Isabel. This will be occupied by President-elect Harding and his family. The Jefferson Inn will accommodate other members of the party, including the newspaper men, it is announced.

OFFICER KILLED IN MARLIN JAIL

MEXICAN PRISONER REMOVED FROM CITY IMMEDIATELY AFTER SHOOTING.

Marlin, Texas, Nov. 4.—Within a few yards of where the Falls county grand jury was holding its session, here this afternoon, Oscar Sharp, 40 years old, Deputy Sheriff, was shot and killed in the county jail just after he opened the door to give the prisoners their noonday meal. Called to the scene immediately from his office in the court house nearby, Sheriff C. C. Moore entered the jail and found Jose Flores, Mexican prisoner and trusty, holding Sharp's revolver. Two shots had been fired. The Mexican was carried to Waco immediately, where Cecil R. Glass, Assistant county attorney, went this afternoon to discuss the case with Flores.

Flores had been in jail pending an appeal on his conviction and sentence of two years in the penitentiary on a charge of assault with intent to

murder a negro northwest of Marlin.

One of the negro prisoners in the jail at the time of the shooting is credited with saying that when Sharp unlocked the door Jordan Israel, another negro prisoner, took a pan of cabbage from the deputy, then grappled with him, the Mexican attacking him at the same time.

One of the negro prisoners was overheard to remark that he would "tell all about the frame-up" while being carried from the jail to the grand jury room for investigation of the case which began immediately, under direction of N. C. Jennings, the county attorney. The proceedings of this body are secret and no information as to what was ascertained in this connection could be secured.

Sharp is survived by his wife and four children. He was a former constable of the Chilton precinct in this county, where he had resided for a long time and was held in high esteem.

Sharp's keys were thrown from the jail window during the struggle that ended his life, thus frustrating any attempted jail delivery.

4th RED CROSS ROLL CALL ON TODAY

World War Ended Two Years Ago November 11th

Two years ago today the greatest victory in history came to American arms. Do you recall the joy with which you received the news of the Armistice? The shrill cry of the newsboys on the streets—the screaming headlines, and how eager the people as they bought and read the extra. The greatest war in history had come to an end. There would be no more fighting; your boy and your neighbor's boy would come back home. Here is what you read:

WASHINGTON, Nov. 11, 1918.—The world war will end this a. m. at 6 o'clock Washington time, 11. Paris time. The armistice was signed by the German representatives at midnight. This announcement was made by the State Department at 2:50 o'clock this morning.

MARSEILLAISE SUNG IN THE STREETS OF BERLIN; KINGS NOW ABDICATING FAST.

William Hohenzollern, the abdicated German emperor and king of Prussia, and his eldest son, Frederick William, who hoped to some day rule the German people, are reported fled to Holland.

The revolution which is in progress throughout Germany, although it may seem a peaceful one, probably threw fear into the hearts of the former kaiser and the crown prince, and caused him to take asylum in a neutral state.

KINGS ABDICATING FAST

Wilhelm II, reigning king of the monarchy of Wurttemberg, is declared to have abdicated Friday night and reports have it that the grand duke of Hesse, ruler of the Grand Duchy of Hesse, has decreed the formation of state to take over the government there. Every dynasty in all Germany is to be suppressed and all the princes exiled, according to Swiss advices.

Peoples' governments have been established in the greater part of Berlin and in other cities of the kingdom and empire. Leipzig, Stuttgart, Cologne, Essen and Frankfurt have joined the revolution. In Berlin, there has been some fighting between the revolutionists and reactionaries in which several persons were killed or wounded. The palace of the crown prince has been taken over by the revolutionists.

TILLOTSON ADMITS MEMKING VICTOR IN LEGISLATURE RACE

Galveston, Texas, Nov. 5.—In a statement issued yesterday Leonard Tillotson of Sealy, Austin county, de-

TERMS OF THE ARMISTICE:

Immediate retirement of the German military forces from France, Belgium and Alsace-Lorraine.

Disarming and demobilization of the armies.

Occupation of the allied and American forces of such strategic points in Germany as will make impossible a renewal of hostilities.

Delivery of the German high seas fleet and a certain number of submarines to the allied and American naval forces.

Disarmament of all other German warships under supervision of the allied and American navies which will guard them.

Occupation of the principal German naval bases by sea forces of the victorious nations.

clared that returns from the counties comprising the One Hundred and Twenty-Seventh District indicate that he has been defeated for the legislature by Otto Memking, American party candidate and merchant of Ellinger, Fayette county. The counties of Austin, Fayette, Colorado, Burleson, Lee, Fort Bend and Waller are embraced in the district which was the last representative district created by the Legislature.

Tillotson is the author of much of Texas' constructive legislation, having served in the two called sessions of Thirty-Third, Thirty-Fourth, the Thirty-Fifth and Thirty-Sixth Legislatures.

GOVERNOR ELECT PAT NEFF SPENT BRIEF VISIT HERE

Governor elect Pat M. Neff spent a few hours in Temple yesterday between trains enroute from his home at Waco to Brownwood, where he will spend several days visiting his aged mother. He paid the Telegram a brief call and while here was greeted by a number of local friends and supporters. The governor to be said that at this time he had nothing to make public of general interest.—Temple Telegram.

THE FOURTH ANNUAL ROLL CALL

The American Red Cross will open its Fourth Annual Roll Call on Thursday, November 11th, 1920, or on Armistice day. Wouldn't it be a splendid thing if our county should raise its quota on this day which meant so much to a war weary world?

Our minimum quota is 3,750 members. This number can be easily raised if a grateful people will do what is in their hearts to do on that day.

The Peace Time Program of the American Red Cross is worthy of the support of every loyal American. It covers work in the schools, work with the wounded ex service men and the families, work in relieving many kinds of calamities, plagues and epidemics; work in home service and dietetics and work among the destitute peoples of the Old World where every means of support has been destroyed.

Great is the opportunity for service and great should be the response.

Let us celebrate Armistice Day by subscribing our full quota.

W. G. GILLIS,
Chairman Milam County Chapter A. R. C.

REPUBLICANS GAIN IN LATE RETURNS

WILL HAVE 293 MEMBERS IN THE HOUSE TO ONLY 138 FOR DEMOCRATS

New York, Nov. 10.—Republican victories in three congressional districts, two now represented by democrats—the fifth Missouri, the eighth Minnesota and the twenty-third New York—assured, with the receipt tonight of the belated returns determined definitely the line-up of the house of representatives after March 4, according to unofficial returns.

The republicans will have 293 representatives in the house, to 138 democrats. The other four of the 435 members, include one socialist, one independent prohibitionist, and one independent republican. The figures represent a net gain for the republicans of 61 members and a loss to the democrats of 52. The present congress contains an equal number of miscellaneous members four, with 232 republicans and 190 democrats.

In two of the districts reported today the republican victories will result in the unseating of two Democratic representatives who are members of the present congress. In the fifth Missouri, E. C. Ellis, republican, defeated William T. Bland, democrat, candidate for re-election, while the situation was similar in the twenty-third New York, where Richard F. McKiniry, democrat, who now represents the district, lost to Albert R. Rosendale, republican.

CHAIRMAN B. P. ATKINSON STARTS ON DRIVE WITH COMMITTEES—IS FOURTH CALL TO NATION

The Red Cross today makes an appeal to the heart of America for support in carrying out its constructive peace time program. This is Red Cross day everywhere in America. It is a call to the sympathies of the people in aiding this great movement and to make possible the consummation of its plans for the important work to be done in its sphere of usefulness.

Today as the sons of American patriots in Milam county gather under the formal auspices of a patriotic celebration to commemorate the achievement of American arms in the late world war, "The Greatest Mother In The World" comes with her broad sympathies and genuine appeal for aid in carrying out the social and humane work she so faithfully and efficiently performed in that period when the red tide of war swept the world.

She is appealing to that same American heart that responded in the trying days of the war that the horrors of the conflict might be softened with the touch of her tender care and sacrifice. Many wounds, deep cut, are yet to be bound up. The lengths to which this great service has gone has unfolded opportunities for solving peace time problems and the world has become so dependent on it that it is necessary for the American people to underwrite its purpose and plans.

Chairman B. P. Atkinson of the Fourth Red Cross Roll Call in Milam county, today inaugurates the county-wide campaign to raise the quota set, this quota is \$3,670.

Monday, November 15th has been set as the day on which the drive for the quota will begin in Cameron. In every town and community in the county a directing head of the campaign has been appointed and it is planned that the canvass for membership for subscriptions will begin simultaneously.

Patriotic and sympathetic business men and citizens and public officials are this week underwriting a strong advertising campaign for the benefit of the Fourth Red Cross Roll Call. The canvass for membership and for funds to aid the peace time program of the Red Cross beginning today will end officially on Thanksgiving Day, November 25th.

Chairman Atkinson announces his intention to carry the canvass thru December in order to try not only to raise the quota set for the county but to achieve the maximum of benefits to be gained by an extensive enrollment throughout the districts. One of the primary objects of the Roll Call is to enroll a large membership, but it is pointed out that upon this basis alone sufficient funds can not be obtained; therefore, a systematic survey will be made in order to obtain a large number of five and ten dollar memberships.

One of the most immediately beneficial phases of the Roll Call is the provision that local chapters may retain fifty cents of each dollar membership; four dollars from each five dollar membership and eight dollars from each ten dollar membership. The amount of funds therefore that will go to strictly local benefits will depend on the denomination of subscriptions.

The public health service feature of the peace time program of the American Red Cross is one of the most important which has been incorporated. This feature insures a public health nurse for each chapter and a part of the funds derived from the roll call will go to the support of this service. The nurse is doing important work in a public way in teaching the science of health among the children and in many cases correcting existing infirmities by pointing out the need for medical attention and sanitation. This feature has not been possible heretofore but is now made a part of the peace time program.

The duties of the public health nurses are two-fold, to prevent disease and to care for the sick. She is not simply the nurse but a guide and

instructor of the women who are the home makers of the world.

The money retained from the subscriptions for home work in addition to the maintenance of the public health nurses is used for the following purposes: To fight disease and make your own community a healthier, safer place for you and your family; to teach emergency aid in case of accidents; to save the babies and guard the family health by teaching home hygiene, care of the sick and home dietetics; to give immediate relief to victims of epidemics, explosions, floods, fires or similar calamities; to aid in the care of crippled children, deserted mothers, financial stress, etc.

What is done with the rest: The balance of all membership dues is forwarded to the Red Cross National Headquarters at Washington. National funds are composed principally of voluntary subscriptions. They include amounts still on hand for uncompleted war projects. There is also included the amounts received from membership dues. These national dues are used partly for relief work in the United States, including: Assistance to soldiers, sailors and marines in camps and hospitals; assistance to the families of service men; assistance in sudden disasters; public health and nursing service; development of the Red Cross service program in the United States.

During the next few weeks the drive for membership will be made in Milam county and it is urged that all the people be enrolled thus completing the aid necessary for this great work. The county quota is small and should be raised in a short time. However it is desirable that a large membership be obtained on the dollar basis. This will insure a wider distribution of the privileges of participation in this great work and will bring close to all the people this organization which merits the support of all.

Judge W. G. Gillis, county judge of Milam county, patriotic citizen and a leading figure in war activities of the county, is the head of the Red Cross in Milam county. Judge Gillis praises the peace time program of the Red Cross and is enthusiastic about the coming drive and will give liberally of his time and influence toward the success of the Roll Call. It is expected, if necessary, that Judge Gillis, a widely celebrated public speaker, will deliver addresses in behalf of the Roll call as well as spend his time actively to map and carry out a winning program.

No less enthusiastic is Ben P. Atkinson, director of the Roll Call in the county. Mr. Atkinson has asked the aid of every source to contribute to the success of the drive and has shown his interest for success by doing much advance work and having committees active prior to the opening date.

Make your check today for \$1, \$5, or \$10, according to the membership you wish to take and be ready when the committees call for your name upon the roll of the most beneficial organization in the world.—The American Red Cross!

MILANO ELECTION CLERKS WORKED ALL NIGHT LONG

A total of 172 votes were cast at Milam box and the election clerks worked all night long until 8 o'clock in the morning before all the ballots were entered upon the tally sheets. Only one of the Amendments carried,

the second one, the other two being defeated. There were a few republican votes and a few socialist votes, but the others were very much of a mixed kind.—Milano Gazette.

Mr. W. A. Wilkerson and family of Cameron spent Thursday in Waco attending the Cotton Palace.

EX-SERVICE MEN IN SYMPATHY WITH RED CROSS PLANS

MEN WHO SERVED IN WORLD WAR SAW GREAT BENEFITS FROM SERVICE OF THE RED CROSS

One way to judge the merits of the American Red Cross peace time program is what the ex-soldier and service man has to say about it. Without exception the ex-service men in Milam county are eager to help the Red Cross and will do all in their power to further its plans for the peace time program.

These men are in Cameron today for the second annual celebration of the signing of the armistice. Today begins the fourth roll call of the Red Cross. The ex-soldiers are doing all they can for the success of the roll call.

The service men saw in actual results during the trying days of the war the benefits of the Red Cross and are unstinted in their praise of this great organization. The Red Cross helped the boys when they were in Europe under the most trying conditions and sacrifices when they needed the aid. The Red Cross now comes with a peace time program that has the approval of the soldier because it will be employed to assist those who need help in the army and navy camps of the United States.

Back up the verdict of the service men of Milam county as they gather in celebration here today and join the Red Cross. Help the organization that helped those who won the war. "The Greatest Mother in the World" now must bind up the wounds of the nation; must serve on in this great work which has unfolded opportu-

ities for real service. Join the Red Cross today.

OVERTURNED AUTOMOBILE PROVES A MYSTERY

Since late Friday afternoon, October 29, local authorities have been attempting to unravel the mystery surrounding the finding of an overturned car on the banks of the San Gabriel river, just south of the gin at Circleville where the Georgetown and Granger roads branch out. With the car was found a man's hat which adds to the mystery.

The car is the property of E. B. Simmons, local attorney. It was loaned early Thursday morning to Milton and Forrest Simmons, cousins of the attorney, to make a trip to Granger. The young men were to return to Taylor Thursday evening. Upon their failure to return Thursday, and still being absent Friday, the young wife of Milton Simmons notified relatives. Parties passing on the Circleville road discovered the overturned auto and hat on the river bank as stated above.

Officers in Taylor were immediately notified and thorough search was made for the body or bodies. Boats were put into service and the river bed dragged for several hundred yards without results.

The two Simmons boys and an unidentified man were last seen about midnight Thursday in Granger and were leaving for Taylor. It was stated that one of the men had a large sum of money on his person, but this report was unable to be confirmed.

Another report has it that young Simmons went to Granger to collect a sum of money from the railroad for his truck which was smashed by a Katy train about three weeks ago.—Taylor Press.

SUNDAY RED CROSS DAY IN AMERICA

PLANS PROVIDE FOR RED CROSS SUNDAY NOVEMBER 14—LOCAL MINISTERS URGED TO HELP.

November 14th will be Red Cross Sunday throughout the United States.

Chairman B. P. Atkinson is in receipt of information from the headquarters at Dallas proclaiming Sunday as Red Cross Sunday and asking that the day be observed. In this way it is planned to reach many people otherwise not in touch with the movement.

It is hardly possible that the day can be given over entirely to Red Cross program but it is suggested that reference can be made from the pulpits of Cameron to the Fourth Red Cross Roll Call, thus giving the drive a wider measure of publicity.

The suggestion that the day be observed is contained in a letter sent to Director Atkinson by M. J. Levy of Dallas, manager of the speakers bureau in the state organization. This is one of the many good plans now being formulated for the roll call which begins today.

George Waverly Briggs, former commissioner of insurance and banking has been appointed as the director for the roll call in the five states as follows: Texas, Arkansas, Kansas, Missouri, Oklahoma.

It is suggested that the church societies may aid in this work as well as the Sunday school. Suggestions are also made for co-operation in the schools where programs can be made and carried out without interfering with the processes of teaching the regular courses.

THORNDALE FIRE THREATENED ENTIRE BUSINESS DISTRICT

RESTAURANT DAMAGE IS \$2550 IN EARLY MORNING BLAZE ON MONDAY.

Thorndale citizenship was aroused from slumber about 1:30 o'clock Monday morning by the report that the Field and Bryant restaurant was on fire. On reaching the scene it was discovered that the fire had originated in the kitchen, which was a small sheet iron building adjoining the main brick building, and was a mass of flame, but owing to the fact that the wind was not blowing, Thorndale's very efficient bucket brigade soon obtained control of the situation, with very little damage being done to the main brick building except a scorched ceiling, and none to the adjoining buildings. However, it is a fact not to be lost sight of that the easy control of the fire was due largely to the absence of a high wind, and that other towns have found by experience that this primitive mode of fire fighting is a dangerous equipment to rely upon in a real fire.

The stock loss in this fire was \$1,650, fixtures, \$200; house damage, in-

cluding kitchen and rear end of brick stand, is partially covered by insurance, \$700. This loss, we understand.—Thorndale Champion.

The Lost Children's Battalion

Over two years ago, 782 children—probably more than are in your entire Sunday School—were shipped from Petrograd into Siberia when the food ran short.

Then your Red Cross stepped in, helped feed and clothe them, doctored them, mothered them (some of the little cherubs were mere babies) and has kept them safe and sound.

Russian revolution made it impossible to take them back the way they came. So the Red Cross set out on a 25,000 mile journey to take them home by way of Japan, through the Panama Canal to New York and then to France. The New York Tribune, in an editorial Aug. 25, 1920, says: "In the face of difficulties almost insuperable the American Red Cross has kept them safe and sound."

It is estimated that there are in Europe more than ten million fatherless children—little homeless wanderers—who must continue to look to your Red Cross for help.

Your Red Cross membership makes it possible to carry on such work. Join the Red Cross or renew your membership during the

The Greatest Mother!

She Binds Up the Wound of the World

If a man were hit by a car in front of your home, would you be able to give first aid?

If one of your children should swallow poison, could you give emergency treatment that would save his life?

If an epidemic should strike your community, do you know the preventive measure to help keep your family well?

In order to prevent the thousands of needless deaths through accident and preventable sickness, your Red Cross is teaching first aid to families throughout this broad land.

Already over one million people have received the First Aid Instructive Courses from the Red Cross.

Is this work important? You will agree that it is when you consider that there are annually in the United States over 400,000 deaths from PREVENTABLE diseases and accidents—eight times the battle deaths of the American Army in the World War.

The Red Cross must increase its membership—not grow less. The work must go on. Join the Red Cross or renew your membership during the

RED CROSS WON HEART OF WORLD BY ACTS OF SERVICE DURING WAR

Primarily the American Red Cross as an organization was put on a war basis and its funds were raised to help and to comfort the American soldier and sailor but it was soon found by the Red Cross workers overseas that the best way to appeal to the allied soldiers and help them maintain their fighting spirit was to help and comfort the ones at home. In this way they not only gained a reputation as being able to bind up wounds in battle, but the bleeding hearts of humanity as well. It was here it gained the name "The Greatest Mother in the World."

After the Armistice was signed and the French people were returning to what had been their homes to find them destroyed, it was here that the Red Cross came to perform its next work for the people of France. Blankets, clothing and food were furnished, the sick were cared for but the thing that helped the people most was the spirit in which aid was given and the inspiration they received kept up their morale and brought them back to where they were a self-supporting people.

Paderewski said in the early days still the mission of the Red Cross at of Poland's independence "Poland" is home and abroad, the mission of service.

The work of the Red Cross now is against ignorance and disease. In the United States today there are three million people sick of physical diseases.

We showed the people across the sea that the Red Cross was composed of men and women seeking the opportunity to serve, that they were living the golden rule and had no axe to grind or purpose to further, and if we could only realize it, this is

ent American who gave his life for their future. Sixty-five per cent of these infants' deaths were preventable, being the result of ignorance and carelessness. This multitude of children died because half of our people are ignorant of the real need of sanitation and hygiene; because half of the mothers do not know how to give proper care to their children.

People have an idea that because God takes care of human life that their whole duty is to care for their property, so millions of dollars have been spent annually to war against animal diseases and bugs, worms and weevils that destroy crops, yet including our pure food and drug regulations, very little has been done to protect human life. We attribute a great deal of this to the superstition that has long remained with people that sickness is a visitation of Divine Providence.

People have been slow to realize that the habits, sins and faults of our lives are the source of most of our troubles, dirty water, contaminated food, ill ventilated rooms, and death dealing garbage-borne flies. It is these and not the hand of a loving God that scatter disease and death. It has been said that public health is purchasable, that with the present knowledge of disease that a city can to a great extent establish its own death rate.

When the war was over the Red Cross having seen the need for Public health nurses and teaching began to seek public health nurses and to provide ways for them to be trained. The duties of public health nurses are two-fold, to prevent disease and care for the sick. She is not simply the nurse, but the guide and instructor of the women who are the home makers of the world; it is her work to suggest methods of betterment, to lay the foundation for sanitary house

keeping, for better babies—more normal children and better health for all—a stronger generation for tomorrow than ours has been for today. It is her work to inspect the school children, so that weak eyes, unhealthy teeth and other physical defects may be discovered and remedied. It is her work to teach mothers and girls home hygiene and care of the sick. There is hardly a girl or a woman who is not at some time called upon to care for the sick in their own home and such practical instructions as are offered by the Red Cross may be the means of checking epidemics and bringing health to the family.

Last year we spent seven millions of dollars to protect farmers against the pink boll worm; during the same time we spent less than two hundred and fifty thousand dollars to prevent avoidable loss of mothers and babies. Through education and training of the mother in the care of herself and her child we have the strongest influence for combating mortality. No more altruistic far reaching labor can be conceived of than teaching the women who build the world that is to come.

RED CROSS IS DOING BIG WORK IN CAMERON

Monthly reports of Milam County Nursing Service for September:

September 1 to 8, enrollment of Childs Health Conference. There were 240 children between the ages of 6 months and 6 years enrolled by house to house canvass. From the 8th to the 11th the conference was held and 166 children were examined, weighed and measured, and advised as to the treatment, diet and other things. And many of these children are now under

treatment for defects that were at that time found. Among these are two children who are being treated for trachoma.

September 12th to 16th, follow-up visits were made to these homes and one of the cases of trachoma was accompanied to the doctor.

September 16 to 30, school work was begun at this point, 649 children were inspected for visible defects, 92 cases of trachoma were found and were diagnosed by different physicians, these are all getting proper

treatment. Two children were fitted with eye glasses, and a number of others will get glasses soon. 181 children were found to have defective teeth, 237 who have enlarged tonsils and probably adenoids. In connection with the school work 36 home visits were made and 11 children accompanied to their physicians.

"Thank You, Red Cross!" Say 92,000 Families

Over 92,000 families are healthier and happier today, thanks to the Greatest Mother in the World—the Red Cross.

Last year alone 92,000 women learned something even more essential than the cure of disease. They learned how to prevent disease.

The Red Cross, through its nation-wide organization, taught them simple truths for preserving their families' health; taught them what food is best for their families' health; taught them how to care for the sick, saving babies and adults the country across.

There remain hundreds of thousands of families, too poor to learn elsewhere, who remain uninstructed. The Red Cross must shoulder the task of teaching them. The work must go on.

But it can't go on without your support. The work is costly, but—saving lives is a greater satisfaction than saving money. Your membership dollar does its part to save a life. Join the Red Cross or renew your membership during the

Red Cross sees a
fellow through**

Let a blind soldier speak to you—

"Close your eyes for a moment. Then imagine that, for you, the rest of your life was to be one perpetual night; no flowers, no colors, no friendly faces—just sounds and smells and feeling things with your fingers. That's blindness.

"But are we blinkies downhearted? NO! Not so long as the Red Cross sticks around and sees a fellow through!"

Your Red Cross does just that—"sticks around and sees a fellow through."

Not only is your Red Cross helping all of those men who were blinded or half blinded in the war and training them for happy, self-supporting occupations; it is helping to bring back to health more than 26,000 men who are still in hospitals as a result of the war.

Over Half of Your Membership Dollar Works at Home

See how large a percentage of your Red Cross membership dollar stays right here in your own community.

Fifty cents of every dollar received from annual membership dues is retained by your local Red Cross chapter—

- to fight disease and make your own community a healthier, safer place for you and your family
- to teach emergency aid in case of accident
- to save the babies and guard the family health by teaching home hygiene, care of the sick, and home dietetics.
- to give immediate relief to victims of epidemics, explosions, floods, fires or similar calamities
- to aid in the care of crippled children, deserted mothers, financial straits, etc.

What Is Done With the Rest

The balance of all membership dues is forwarded to the Red Cross national headquarters at Washington. National funds are composed principally of voluntary contributions. These include amounts still on hand for uncompleted war projects. There is also included the amounts received from membership dues—these National funds are used partly for relief work in foreign lands and partly for national relief work in the United States, including

- assistance to soldiers, sailors and marines in camps and hospitals
- assistance to families of service men
- assistance in sudden disasters
- public health and nursing service
- development of Red Cross service program in the United States.

The management cost at National Headquarters and the 14 Divisions is less than 4 per cent of the total expenditures.

When your Red Cross spends, it spends patriotically, conservatively, wisely. In joining the Red Cross you can join without misgiving, armed with the knowledge of just where and how your membership dollar will be spent. Join the Red Cross or renew your membership during the

HIGHWAY BOOSTERS ARE ENTERTAINED IN ROCKDALE THURSDAY

**BRAZOS BRIDGE AND OTHER
MATTERS DISCUSSED BY
DELEGATES—GUESTS
OF C. OF C.**

Rockdale entertained the East & West Texas Highway Association last Thursday in elaborate style. The forty odd delegates who were present all went home feeling that they had indeed been guests of a most hospitable citizenship, and before the final session of the Association closed strong resolutions of appreciation were passed.

Entertainment features consisted of an automobile ride out to Tracy oil field in the afternoon. Here the visitors were shown all kinds of shallow oil wells in all stages, from the drill to the finished pumper. They also inspected the refinery, and were duly impressed with what they saw.

Returning to the city at 6:00 p. m., the visitors were driven to Mineral

Park where the Chamber of Commerce had arranged a barbecue supper. Here an elaborate spread was placed before them, which resolved itself into a smoker with vaudeville stunts by a professional team of artists, and music by the Rockdale band. This entertainment and supper made a distinct hit with the visitors. Barbecued beef and pork, hot coffee with constituted the menu, with gallons of cream and sugar, pickles, bread etc., constituted the menu, with gallons of excellent grape juice and cigars on the side. All members in good standing of the Chamber of Commerce were also participants of the feast. The vaudeville attractions were presented on a stage especially placed for the purpose. It was the most unique and successful affair ever staged in Rockdale.

Delegates were here from as far as Longview. The towns of Gause, Milano, Hearne, Franklin, Jewett, Jacksonville, Mexia, Austin and Longview were represented and the delegations were enthusiastic.

Afternoon and night business sessions were held at the Chamber of Commerce headquarters. The afternoon session was called to order at 3:00 p. m. by Mayor H. C. Meyer who is also president of the Association. At this session the delegates enrolled,

the organization was made permanent, and the temporary officers elected at the Hearne meeting agreed to hold until the next meeting when permanent officers will be elected. The present officers are: H. C. Meyer, the president; O. D. Baker, Gause, secretary; Mrs. F. R. Pugh, Hearne, Assistant Secretary and Treasurer. The officers were all present. After the appointment of a committee on resolutions, the Association adjourned for the trip to the oil field and the subsequent supper and smoker.

At the night session much business was transacted and some exceptionally good speeches were heard, and enthusiasm was unbounded. The keynote of the speeches was to the effect that where such enthusiasm reigned success was bound to be attained. The purposes and aims of the Association were outlined by Secretary O. D. Baker. Briefly stated the purpose is to promote the Reagan Division of the Bankhead National highway, from Longview to San Antonio along the I. & G. N. railway. The plan has heretofore been given in detail in

these columns.

The committee on constitution reported, endorsing the project in toto, and pledging the Association to use every honorable means for the furtherance of the same. The resolutions called upon the several commissioners courts along the route, and upon the State Highway Commission, asking their co-operation and assistance. The report also recommended that another meeting be held not later than December 15, at such place as in the judgment of the president and secretary might be deemed best. Unanimously adopted.

The committee on constitution asked for further time to prepare its report and promised to have same ready by next meeting; granted.

A committee of five was appointed from each county along the route, as an advisory committee to confer with their several commissioners courts and commercial bodies looking to the furtherance of the project as relating to the individual county problems. Another committee was appointed to confer with the State Highway Com-

mission. Attention was given the matter of financing the Association and money raised to meet present needs. A liberal donation was also voted to Mrs. Pugh for her services as assistant secretary.

In relation to the Brazos bridge, County Judge Reed of Robertson county, who was present, stated that his court had already made an appropriation for their part of the expense. It was also stated on unquestioned authority that the State Highway Commission stood pledged for aid on this bridge, and it only remains for the Milam county commissioners court to make an appropriation in order that this bridge shall be insured. County Judge Gillis of Milam county, was present and stated that he was in sympathy with the movement, and would do anything in his power to arrange for the necessary funds. He stated however, that the county was not in shape to undertake so large an expenditure, and tendered the services of the county engineer to confer with the State Highway Engineer in preparing an estimate of the cost of the

bridge. After securing this data Judge Gillis promised that his court would immediately go into the matter and endeavor to raise the funds. He pledged the court definitely not to consider any other bridge proposition until this bridge had been provided. Judge Gillis went to Austin the same night, and while there agreed to confer with the highway engineer and arrange an early date for a conference and report.

The night session held until a very late hour, and was enlivened by much oratory and good-natured badinage. Hon. C. M. Beard, of Milano, was the principal entertainer in this line, paying in his respects to lawyers and county judges in a manner eliciting roars of laughter. Other entertainers of the evening were Hon. J. Felton Lane of Hearne; O. D. Jones of Longview; Hon. J. L. Harp of Mexia; C. Evans of Jewett; Hon. E. A. Camp of Rockdale; Mrs. F. R. Pugh of Hearne; Hon. O. D. Baker of Gause and others.

She Keeps Faith With You-- Will You Keep Faith With Her?

Quietly, but effectively, the Greatest Mother in the World is giving aid to those who need it most. She has not forgotten the crippled, blinded remnants of the war who are still in Army and Navy hospitals.

She does more. She takes to her arms the victims of disaster in peace, the victims of floods, fire, tornadoes and other catastrophes. Over 30,000 such unfortunates were shielded and sheltered by her this year. The Greatest Mother in the World—YOUR RED CROSS—is keeping faith with you; keeping faith not merely in your own country, but in devastated Europe as well.

Will you keep faith with her? The good she has done in the past has been made possible entirely through your membership. Join the Red Cross or renew your membership during the

WILSON'S MESSAGE URGES MEMBERSHIP FOR RED CROSS

GREAT ARMY OF MERCY FOR
SERVICE IN COMBATING ILLS
OF RECONSTRUCTION
SAYS PRESIDENT.

Washington, D. C., Nov. 10.—The following message from President Wilson, who is also president of the American Red Cross, to the American people was issued from the White House Sunday:

"The American Red Cross deserves a hearty response to its fourth invitation to annual membership, which will be issued during the fortnight beginning November the Eleventh, Armistice Day.

"Under the stimulus of war and through the co-operation of our people this organization grew into immense size, enlarged its range of activity, served not only nation and in great common enterprise, but gave the nations associated with us in a great common enterprise, and gave to the world an example of effective mercy through co-ordinated effort.

"Since the cessation of hostilities the organization has faced dual duty, first to fulfill obligations created by the war, and secondly to adapt its experience and machinery to the needs of peace.

"It is today still assisting govern-

mental needs in the care and cheer of our disabled soldiers and sailors. In replacing those able to work in civilian occupations, and in counselling aiding the families of former combatants; and it is still assisting, with diminished resources, the process of rehabilitation in some of the more prostrated countries of our former associates.

"While continuing these manifest obligations, the Red Cross has been accommodating methods and applying lessons learned in the war to the normal needs of our own people in times of peace, especially in regions where provisions for public health and welfare were imperfectly developed. It has placed public health nurses in many localities, and has endeavored to enlist greater numbers of young women in the nursing service in order that the supply may more nearly equal the steadily increasing demand for community nurses. It has devised a scheme of public health centers for the relief of maladies and for instruction in hygiene, dietetics, and general principles of disease prevention. With its nurses and nurses' aids it has rendered incalculable service in the serious epidemics of influenza. It has carried instruction in hygiene and first aid into schools, the women's clubs, and the homes of the country. It has taught young and untaught mothers how to care intelligently for their babies, and has done much in many ways rests. It has made it a fundamental to promote child welfare, upon which the welfare of the nation ultimately principle to avoid futile duplications, to co-operate with public agencies

when its co-operation is sought, and to supply deficiencies where such agencies had not yet been established.

"It has continued its educational work among the school children thru its Junior Red Cross, and it has, as one result of its war experience, put preparation for disaster relief on a scientific basis, so that it is now equipped to meet disaster emergencies promptly in almost every part of the country.

By systematic plans and practical performances, it has given a clear answer to the question why the Red Cross should be continued and carried over from war activity. The answer is in the record.

"Additional to these obvious aspects of the matter, there is another reason why I, as president of the United States and president of the American Red Cross, urge my fellow countrymen to join the Red Cross in impressive numbers: reaction follows emotion, and after great effort comes perilous lassitude. Sound patriotism and genuine service are continuous, not intermittent, not contingent merely upon excitement of war. If there is in some of us an inward cooling of the fervor which animated us in the crisis of the nation's stress and peril, a contraction of the spirit which ennobled us as individuals and as a nation, now during the Red Cross Roll Call, is a fitting season to take counsel with our inner selves to re-kindle the old flame and to reaffirm allegiance to practical humanitarianism, and to symbolize the regeneration of our better thought and handsomer selves by re-enlistment in a great army mobilized for

the common good.

(Signed)

Woodrow Wilson.

RED CROSS NURSE DOING BIG WORK

BETTER HEALTH FOR CHILDREN
AND COMMUNITY WILL RE-
SULT FROM RED CROSS
HOME SERVICE.

Cameron and Milam County are already seeing big results from the peace time program of the American Red Cross. Better health methods are being introduced where needed and children have been led to better health through the efforts of the Red Cross nurse assigned to this chapter under the peace time plans of the Red Cross.

Miss Estelle Carter of San Antonio has been in active service in this capacity since early September and one of the first features of the service was the holding of a child's health conference, in which two hundred and forty children between the ages of six months and six years were enrolled

by a house-to-house canvass.

This conference resulted in the correction of many ills being suffered by the children which in the end might have resulted in life infirmities. Many of the children are now under treatment for defects that were discovered during the conference.

This service is carried to the public schools by Miss Carter and will result in avoiding diseases and illnesses such as are common to children.

From every conceivable standpoint

the service is to be desired and as a part of the peace time program of the American Red Cross is an added inducement for a greater financial support from the people.

As a representative of this great organization Miss Carter deserves and will have the co-operation of all Cameron and Milam county. She has found a large place in the hearts of the people and her service will be incalculably valuable.

When a Coward's Hand Struck

Prompt ministrations of Red Cross saved many lives in recent disastrous explosion.

The bomb explosion in New York on September 16 struck like a thunder bolt—But the Red Cross was prepared; it was on the job immediately!

And everybody marvelled; while the papers praised! It was a revelation that the Red Cross in peace was as potent as the Red Cross in war.

How many lives the Red Cross saved, nobody knows. But every New Yorker knows this:

- in less than twenty minutes, over 75 Red Cross nurses and 35 field directors were assisting the stricken
- in less than twenty minutes, much needed truckloads of beds and bedding, surgical dressings, medical supplies, etc., were supplying the hospitals near the disaster
- many of the seriously wounded were saved from death by Red Cross first aid treatment, awaiting their transfer to the hospitals
- hundreds of victims with minor injuries were treated by the Red Cross, relieving surgeons for the more urgent cases
- thousands of relatives hungering for news, got prompt information from lists of dead and wounded prepared by the Red Cross

Nobody knows when disaster may wreak havoc in our own city. Nobody knows when some terrible fire, explosion, epidemic or other calamity may strike our own homes. Your Red Cross keeps prepared for just such emergencies. It is always ready to jump into action at a moment's notice.

It gives you protection. Will you give it support? Then join the Red Cross or renew your membership during the

"Thank You, Red Cross!" Say 92,000 Families

Over 92,000 families are healthier and happier today, thanks to the Greatest Mother in the World—the Red Cross.

Last year alone 92,000 women learned something even more essential than the cure of disease. They learned how to prevent disease.

The Red Cross, through its nation-wide organization, taught them simple truths for preserving their families' health; taught them what food is best for their families' health; taught them how to care for the sick, saving babies and adults the country across.

There remain hundreds of thousands of families, too poor to learn elsewhere, who remain uninstructed. The Red Cross must shoulder the task of teaching them. The work must go on.

But it can't go on without your support. The work is costly, but—saving lives is a greater satisfaction than saving money. Your membership dollar does its part to save a life. Join the Red Cross or renew your membership during the

First Aid

The Greatest Mother— She Binds Up the Wounds of the World

If a man were hit by a car in front of your home, would you be able to give first aid?

If one of your children should swallow poison, could you give emergency treatment that would save his life?

If an epidemic should strike your community, do you know the preventive measure to help keep your family well?

In order to prevent the thousands of needless deaths through accident and preventable sickness, your Red Cross is teaching first aid to families throughout this broad land.

Already over one million people have received the First Aid Instructive Courses from the Red Cross.

Is this work important? You will agree that it is when you consider that there are annually in the United States over 400,000 deaths from PREVENTABLE diseases and accidents—eight times the battle deaths of the American Army in the World War.

The Red Cross must increase its membership—not grow less. The work must go on. Join the Red Cross or renew your membership during the

BUCKHOLTS NEWS ITEMS

Miss Audrey Criswell

Buckholts, Nov. 9.—Miss Mary Walchak, who is a student of Baylor college, was home during the past week end to see her father, Mr. S. Walchak.

Miss Alice Ford of Cameron was a guest last week in the home of her aunt and uncle, Mr. and Mrs. H. N. Harris.

Messrs. Lawrence Swanzy and Frank Zadwadske were in Sharpe Friday night to attend the oyster supper given at that place.

Misses Newman and Stella Carter, public health nurses, were working in this school Friday. They will finish their work at this place some time this week.

Rev. Williamson, a student of Baylor University, filled the Baptist pulpit Sunday morning and night. He will preach here again on the first Sunday of next month.

Little Miss Virginia Rector was in Cameron during the latter part of the week to visit relatives.

Mrs. S. M. Corley entertained on Monday afternoon in honor of the fourth birthday of her little son, Seth Jr. About forty guests responded to the invitation. They were delightfully entertained by playing numerous games. Mrs. Corley served cake and punch at the conclusion of the evening.

Miss Annie Howard of Yarrelton was here last week to see her aunt, Mrs. J. H. Oliver.

Mrs. Grady Brown and son, Garland, of Temple, are here to see her father, J. R. Williams.

Mr. Alex Henderson was in Fort Worth this week.

Mr. and Mrs. Louis Groppell, Alex and Miss Irene Groppell were in Manor last week to see relative.

Mrs. J. Z. Young is in Galveston to see her husband, Dr. Young.

Mrs. Willard Hill returned home Saturday from near Cameron. She been to visit her sister, Mrs. Luce.

The Fancy Work Club met last week with Mrs. Ross Dabney. About twelve members were present. A merry time was had, the ladies amusing themselves by doing little fancy work and much friendly gossiping. Mrs. Dabney served her guests with delicious cake and hot chocolate.

Among those from this place who

attended the Cotton Palace at Waco were: Mr. and Mrs. S. M. Corley, Mr. and Mrs. Raymond Bryant, Mr. and Mrs. D. S. Rogers, Mr. and Mrs. Eilmer Horstmann, Misses Leola Custard, Bertie Criswell, Vernie and Katy Zadwadske, Lucille Hooks, Emma Groppell, and Messrs. Joe Zadwadske, John Meyer, Buford McMillian, Zorus, Delma and Cecil Criswell, Vance Hopkins and Mr. and Mrs. H. E. Fauch.

a good fabric tire like the United States or nobby tread than to take chances on a tire that has no other recommendation than that it is called a cord.

The success of such famous tires as the Royal Cord has been followed by the production of many so-called cords of inferior construction, but the mere fact that a tire is called a cord carries little weight.

UNITED STATES TIRE NEWS

Experienced motorists don't spend money experimenting with tires that have not established a thoroughly reliable reputation for themselves, for such experimenting costs money.

That is the reason why some of the fabric tires which built up fine records over many years of service continue prime favorites in the market, while the horde of cut-price cord tires with which the market is flooded find little favor.

HARDING WON, SO THEY EXPECT TO LIVE HAPPY

Chicago, Nov. 4.—"If Senator Harding is elected I will say yes. If Cox wins I won't." "All right, we'll shake hands on it."

That was Tuesday morning. Wednesday morning Miss Bessie Carter and Walter L. Barnoske stepped up to the marriage license bureau in the county building. They got a license and found a willing preacher, because Bessie was the one who spoke the above piece on Tuesday morning.

As Dead as the Dodo

Every druggist in town—your druggist and everybody's druggist has noticed a great falling off in the sale of calomel. They all give the same reason. Dodson's Liver Tone is taking its place.

"Calomel is dangerous and people know it, while Dodson's Liver Tone is perfectly safe and gives better results," said a prominent local druggist.

Take "Dodson's Liver Tone" Instead!

Dodson's Liver Tone is personally guaranteed by every druggist who sells it. A large bottle costs but a few cents, and if it fails to give easy relief in every case of liver sluggishness and constipation, you have only to ask for your money back.

Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults.

Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels. It doesn't gripe or cause inconvenience all the next day like violent calomel. Take a dose of calomel today and tomorrow you will feel weak, sick and nauseated. Don't lose a day's work! Take Dodson's Liver Tone instead and feel fine, full of vigor and ambition.

"Oh yes," she blushed. "I'm awfully glad Harding won. And—I knew the democrats didn't have a chance."

WOULD GLADLY GO ONE HUNDRED MILES FOR IT

That is What Mrs. Burns Says After Taking Tanlac—Gains Nine Pounds.

"I had sixteen miles to go to get my first bottle of Tanlac, but after the way it helped me I would gladly a hundred miles rather than be without it," said Mrs. George M. Burns of 1900 Spruce Ave., Kansas City, Mo.

"For six months I had stomach trouble and indigestion so bad that what I ate gave me no strength at all," continued Mrs. Burns. "I had no appetite whatever and was so nervous even the barking of a dog would completely upset me. My kidneys give me a lot of trouble and I suffered a great deal with pains in my back; I

couldn't find relief at all and finally I got so weak and run-down I could not do my housework.

"A friend advised me to take Tanlac and I had to go all the way from Chataqua, Kansas, where I was then living to Sedan for it. But that was surely a profitable trip, for the Tanlac helped me right from the start. My appetite picked up and I can now eat anything I want and it does me good, too, for I have already gained nine pounds, am strong enough to do all my housework and am getting stronger every day. My nerves are steady as can be and I am in better general health than for many years. I have recommended Tanlac to a lot of my friends and every one of them has been benefited by it." Tanlac is sold by all druggists.

Mr. A. L. Masseneale and family of Maysfield spent Friday in Cameron.

PRESBYTERIAN CHURCH NOTES

On last Sabbath in the Bible school we introduced a regular system of grading. Report cards will be sent home to the parents each month. The principles of a graded school are being more carefully carried out and we are looking confidently forward to doing better work in the school than we have been able to do in the past. If your children are not in Sunday school we would be glad to welcome them.

Next Sunday morning the service will be given to doing our part in the Red Cross drive. We are always happy to have friends and those who have no church home, to worship with us.

Isn't it difficult to understand why anybody ever buys a talking machine, when they can own

EDISON'S NEW DIAMOND AMBEROLA

The World's Greatest Phonograph Value

Are you familiar with the shrillness and metallic sound of "talking machines" and ordinary phonographs? Then come to our store and listen to the pure, musical tone of the Amberola! The difference is startling.

Do you know the cost and bother of constantly changing phonograph needles? Let us show you the permanent Diamond Point Reproducer of the Amberola that does away with needles!

Have you seen how easily "talking machine" records

crack and break? Amberol Records can be accidentally dropped without damage—they are practically unbreakable and everlasting!

Would you like to own an Amberola, but feel you cannot afford one? Let us prove to you that Edison's wish to bring music into every home makes it possible for you to possess an Amberola almost on your own terms!

Come in and talk it over with us. If you cannot come soon, write us—today.

Health About Gone

Many thousands of women suffering from womanly trouble, have been benefited by the use of Cardui, the woman's tonic, according to letters we receive similar to this one from Mrs. Z. V. Spell, of Hayne, N. C. "I could not stand on my feet, and just suffered terribly," she says. "As my suffering was so great, and he had tried other remedies, Dr. — had us get Cardui. . . I began improving, and it cured me. I know, and my doctor knows, what Cardui did for me, for my nerves and health were about gone."

TAKE

CARDUI
The Woman's Tonic

She writes further: "I am in splendid health . . . can do my work. I feel I owe it to Cardui, for I was in dreadful condition." If you are nervous, run-down and weak, or suffer from headache, backache, etc., every month, try Cardui. Thousands of women praise this medicine for the good it has done them, and many physicians who have used Cardui successfully with their women patients, for years, endorse this medicine. Think what it means to be in splendid health, like Mrs. Spell. Give Cardui a trial.

HARDING ELECTORAL VOTE IS LARGEST IN RECENT DECADE

RETURNS SHOW A COLOSSAL
LANDSLIDE FOR REPUBLICANS—CONTROL CONGRESS.

New York, Nov. 4.—A record smashing electoral vote for Senator Harding topping the 400 mark and republican majorities of more than a score in the senate and 150 in the house were assured tonight from the election Tuesday.

With the democratic strongholds of Oklahoma, Missouri and Tennessee definitely swept into the republican ranks by the party's crushing victory, the Harding-Coolidge ticket had 396 votes, exclusive of the five from Montana, where the republican state ticket was victorious and the presidential ticket ahead.

Complexion of Senate.

The republican landslide tonight had given the republicans 58 senate seats, against 37 for the democrats, with returns undermining the lead of Senator Beckham, democrat, Kentucky. His republican opponent, Richard J. Ernst, forged ahead in a nip and tuck fight over the only senate seat left unsettled. Of the 34 senate contests, the republicans captured 9 from the democrats and elected all 15 of their candidates. Among the democratic senators who today went down in defeat were Chamberlain of Oregon, former chairman of the military committee; Smith of Arizona, who lost to former Representative Ralph Cameron, and Henderson of Nevada, who was defeated by former Governor Oddie.

A Few Races Undecided.

Final returns from a few congressional districts still were belated tonight, some due to close races which upset a few previous announcements. With these missing districts the republican roll in the house had climbed to 287 to 140 for the democrats.

Among house members whose re-

election was reported, definitely tonight was Representative Volstead, author of the Volstead prohibition enforcement act and chairman of the house judiciary committee, a position he is scheduled to retain. In the house contests, the republican sweep gave Ohio an almost solid republican delegation for the first time in its history. In this, the home state of Governor Cox and Senator Harding, the republicans gained and the democrats lost eight seats. In Missouri the republicans gained another block of eight.

Memphis, Tenn., Nov. 4.—With but two counties an less than fifty scattered precincts missing out of the entire state, returns tabulated tonight by the Commercial Appeal, give Harding a majority over Cox in the state of about 10,017 and Alf Taylor, republican candidate for governor, a lead of 38,187 over A. H. Roberts, his democratic opponent.

The totals, as tabulated up to nine o'clock tonight are as follows:

Cox, 189,782; Harding 199,759.
For Governor:
Roberts 160,917, Taylor 199, 114.

The two missing counties, Marion and Bledsoe, are in the eastern part of the state and normally given a re-

You Do More Work.

You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness.

GROVE'S TASTELESS CHILL TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

GROVE'S TASTELESS CHILL TONIC is not a patent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood.

The Strength-Creating Power of GROVE'S TASTELESS CHILL TONIC has made it the favorite tonic in thousands of homes. More than thirty-five years ago, folks would ride a long distance to get GROVE'S TASTELESS CHILL TONIC when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 60c per bottle.

publican majority of about 800 on their combined vote. On the fact of the face of the returns received by the Commercial Appeal the republicans have gained one and possibly two congressmen from the state. Judge John A. Moon of Chattanooga was defeated by Joe Brow in the third district by about 5000. In the eighth Captain Gordon Browning has apparently been defeated by Lon A. Scitt. The race in the fourth district is close but Cordell Hull is in a safe lead which can not be overcome by the total vote of missing precincts.

The republican victory for the presidential ticket in the state is the first since 1868. The total vote will probably be about 410,000, the women's vote in the eastern part of the state having been much heavier than expected.

Oklahoma City, Nov. 4.—Oklahoma will send a delegation of five republicans and three congressmen to the sixty-seventh congress, according to a tabulation of returns from the eight congressional districts tonight. In addition, there will be one republican—J. W. Harrel, Senator Robert L. Owen, democrat, is the present member.

The congressional races are closed in two districts. In the second, with one precinct missing from a county Alice Robertson, republican leads W. Harrel, democrat, by 276 votes. In the fourth, with 13 precincts missing, all in a county returning a heavy republican majority, J. C. Pringley, republican, leads by 551.

The democratic upset will extend to the next state legislature, according to incomplete returns. Political observers declare republicans will have a majority in the lower house, basing their conclusion on available figures, and a strong minority in the state senate.

The state will give a commanding majority to President-elect Harding and to Mr. Harrel. A tabulation of nearly complete figures late today indicated Harding would carry the state by approximately 18,000 and Harrel by well over 25,000.

New York, Nov. 4.—Governor Smith today conceded election of Nathan L. Miller his republican opponent, for

the governorship and sent a congratulatory message to his home in Syracuse. The message read:
"Please accept sincere and hearty congratulations on your victory."

Helena, Mont., Nov. 4.—The plurality of Senator Harding over Governor Cox in Montana was increased to 42,000 in Montana in incomplete returns compiled today. The republican state and congressional tickets also were 937 of the Chicago precincts show

lead in the democrats.

Chicago, Nov. 4.—Returns from 1, Senator Harding polled more votes in this city alone than Governor Cox received in the entire state.

The 1,937 Chicago precincts give Harding 446,594.

In 4,881 precincts through the state Governor Cox received 443,889 votes.

Boston, Nov. 4.—Complete returns from Massachusetts show that Harding's plurality in this state was 401,865. The vote was: Harding 676,649;

Cox 274,784. The vote for governor was: Channing H. Cox, republican, 641,890; Walsh democrat, 288,806.

Packing Plant of Central Produce Company to Awaken Rural Thrift

With maximum possibilities to aggregate more than \$300,000 annually paid into the pockets of the farmers of Milam county and a present operating schedule which will pay to the producers this year more than \$50,000, the packing plant and produce market facilities of the Central Produce Company of Cameron gives promise of wide industrial usefulness, representing an unprecedented stimulus for rural thrift.

When the Central Produce Company established a packing plant and a produce market in Cameron a little more than a month ago there was added to the other many commercial assets of Cameron a great unit for expanding market centers here and to give a ready selling price every day in the year for the products of the farmer and the poultry and produce man.

In Texas the Turkey has become famous through the establishment of packing plants within the borders of the state used exclusively for killing and packing his meat. Annually millions of dollars are paid into the pockets of the farmers for their turkeys. The Central Produce Company has not only made possible a great turkey market in Cameron but has also brought facilities to the city for handling all kinds of produce insuring a ready market each day in the year. This market will be stimulated with facilities to handle in car shipments and larger quantities if necessary.

During the current season for turkey marketing it is estimated that \$50,000 or more will be paid to the farmers for turkeys and other poultry and produce.

This will give Cameron a great trade stimulus, insuring ready money to the farmers during times when the agricultural crops are being made.

The capacity of the Central Produce Company is about 1500 turkeys a day slaughtered and packed. As the business expands these facilities will be added to with the view of developing one of the greatest produce centers in the state. Storage facilities have been secured from the Cameron Water, Power and Light Company. The plant is located near the Santa Fe switches at the power plant thus insuring easily accessible shipping facilities. The big feature will be a ready market as good as can be had in any city in Texas.

The headquarters of the company is located at Giddings where a large packing and shipping business is located. Locally the Central Produce Co. will not only buy from farmers but will buy in quantity shipments produce accumulated by merchants both in the city and towns tributary to this city. This produce in turn is shipped to northern markets. A wide range of prominence will be given to Cameron as a produce center.

The Cameron plant is under the management of M. N. Peters of Giddings. Mr. Peter will stay in Cameron the year round to manage the business. His associates are, R. A. Falke, G. C. Simmons, Robert J. Peter and Jake Alexander.

Mr. Peter is a young man who has early mastered the business of marketing and with this knowledge of the business will give successful administration to the industry here.

Producers of turkeys and produce should bring their products to Cameron now that they are to be served in this large and definite way. This great industry now being developed in its maintenance will bedirectly

beneficial to the farmers and in turn will give stimulus to business because of the money paid out at all times of the year.

Commercial expansion is here and the Central Produce Company is contributing its full measure of help to a greater era of business in Cameron and Milam county.

BROWNING-CASHION

On last Saturday afternoon at the beautiful rural home of the bride at Tyler, Miss Mary Cashion and Mr. Robert Browning were quietly married by Dr. Campbell of the First Baptist church in Tyler.

Miss Cashion is the daughter of Mr. and Mrs. J. M. Cashion of Tyler, old time residents of Smith county.

Mr. Browning is a resident of Cameron and now with the Cameron Herald. He was reared in Smith county. Mr. Browning has been in the news, paper business for several years. He is an ex-service man, having gone over with the famous 90th Division serving in the great battles that led to the termination of the world war. He was wounded in action and his service as a soldier was such as distinguished the American man of arms in the war.

Following the ceremony Saturday Mr. and Mrs. Browning received their friends at the home of the bride. After a two-day stay in Tyler they went to Waco and there attended the Cotton Palace. Wednesday Mr. and Mrs. Browning returned to Cameron and will make their home here in the near future.

Mr. Browning will continue his duties with The Herald with all its good wishes for happiness. They will reside in the home of Mrs. Tuttle in North Cameron where they will be at home to friends.

HOLTZCLAW CORRALES BAD MAN WHO COURTED TROUBLE

The spirit of bravado sometimes leads men to do rash things and even to overstep their nerve no matter how well fortified they may be from the standpoint of hip pocket artillery. Sometimes it leads to bruised heads and sometimes to something worse. And then, it may lead to a sobering up process through which a man may become reconciled to civilized pursuits.

In any event, it is hoped that the latter lot may fall to one "bad man" who attempted to terrorize Sap Town Tuesday night. Cameron has a city marshal named Holtzclaw who by long years of practice has been able to prescribe in such cases admirably, though at times the operation may of necessity have to be rough, "still and all" as Ring Lardner says, "results is what you want."

He sleeps sweetly behind the lattice in the county jail. His head is bruised but sober thoughts and reflections aided by peaceful surroundings will bring him back to normal.

BUICK AGENCY IS TAKEN OVER BY CAMERON MEN

A. E. SCHILLER AND W. L. SHIRES TO OPERATE AUTO ESTABLISHMENT HERE.

The Buick automobile agency and all rights to the sale of this car have been purchased by A. E. Schiller and W. L. Shires, young Cameron business men.

The agency and business of the Buick in Cameron was purchased from J. W. Sanders who has operated sales rooms here for the past year or more. Mr. Sanders has the Buick and Dodge agencies for Robertson county and will return to his old home in Hearne about January 1 to take up the business there. Mr. Sanders has operated both agencies from his Cameron office, later having acquired the Dodge Brothers contract here. He also has the Dodge contract in Robertson county.

Announcement of the purchase is made this week by Mr. Schiller and Mr. Shires. The business will continue to operate in the same quarters occupied by Mr. Sanders.

A repair department will be maintained and all makes of cars repaired. This repair service will be enlarged and maintained in a first class manner.

Mr. Schiller is well known in Milam county, having been with the Henne & Meyer Company for the past eight years. He is a young man and will succeed with the Buick agency here. Mr. Shires has been with the Daugherty Motor Company repair department and in the new business will have charge of the repair department.

The selling end of the business will be in charge of Mr. Schiller, who will devote his time to the distribution of Buick cars. The Buick agency is for the entire county.

The many friends of these men will be glad to hear of their business venture and bespeak for them success.

HARDING TALKS TO HEARNE CITIZENS

PRESIDENT-ELECT ON WAY TO POINT ISABEL TELLS FOLKS HE LIKES TEXAS.

Warren G. Harding, president-elect of the United States, on his way to Point Isabel, Texas, delivered an address from the rear platform of his special train in Hearne Sunday.

Jim Neinst, Cameron business man, went to Hearne to greet the new president of America with hundreds of other citizens of our sister city. Mr.

Neinst declares the new president "a regular fellow" and thinks Mr. Harding eminently right when he said Texas was the greatest state in the Union.

Harding declared in his speech that party lines will be set aside when the new administration comes to take up the reins of the government. He said that Texas will get the same consideration as any other state and that he will be the servant of all in the White House.

President Harding declared for woman's suffrage and said he was glad that the women are permitted to participate in the government of the United States. A large crowd of negro republicans were in Hearne to greet the president-elect.

Mr. Harding and party passed thru Rockdale Sunday, and the Senator spoke to the people there.
